

ANAHEIM PUBLIC UTILITIES (APU)
NET ENERGY METERING (NEM)
SURPLUS ENERGY COMPENSATION
ELECTION FORM (FORM)

Customer Information (as it appears on your monthly APU bill);

Customer or Business Name: _____

Service Address: _____

City: _____ State: _____ ZIP: _____

Phone: _____ Customer Account Number: _____

This FORM allows a residential or commercial customer (CUSTOMER) to change a compensation election previously made as a party to an "Interconnection Agreement for Net Energy Metering" with the City of Anaheim (NEM Agreement). All compensation elections previously made in the NEM Agreement are hereby superseded, and all other provisions of the NEM Agreement remain valid. All Section references are to the NEM Agreement.

COMPENSATION ELECTION:

I hereby make my compensation election as follows (check one):

An energy credit on my APU account, shown in kilowatt hours (kWh), that will continue until applied against my electric bill as set forth in Section 7.3 or 8.3 of the NEM Agreement;

-or-

Annual compensation payment to me at the Annual Cash Payment rate, automatically processed every July, as set forth in Section 7.4 or 8.4 of the NEM Agreement

By fully completing and returning this FORM to APU, I confirm the above NEM compensation election. I understand that I am eligible to revise my net surplus energy compensation election annually by submitting a new FORM to APU during the "Election Period" between June 1st and June 30th each year, as established in Sections 7.2 and 8.2 of the NEM Agreement. I understand that additional terms pertaining to the above elections are included in the NEM Agreement and the ANAHEIM Electric Rates, Rules and Regulations.

Customer Signature: _____ Date: _____

One original of this FORM, completed and signed by CUSTOMER, must be returned to APU no later than June 30th in a given year to be valid for the following 12-month billing cycle. Any FORM submitted to APU outside of the Election Period will be processed during the next Election Period. APU's Annual Cash Payment rate is posted on the APU website at www.anaheim.net/utilities/solar.
