

ORDINANCE NO. 6407

AN ORDINANCE OF THE CITY OF ANAHEIM AMENDING TITLE 6 (PUBLIC HEALTH AND SAFETY) OF THE ANAHEIM MUNICIPAL CODE RELATED TO THE SALE AND DISCHARGE OF SAFE AND SANE FIREWORKS WITHIN CERTAIN AREAS OF THE CITY BASED UPON THE FINDING AND DETERMINATION THAT (1) THE SALE OF FIREWORKS IS CATEGORICALLY EXEMPT FROM THE PROVISIONS OF THE CALIFORNIA ENVIRONMENTAL QUALITY ACT (CEQA) PURSUANT TO SECTION 15304 OF THE STATE CEQA GUIDELINES AND (2) THE DISCHARGE OF SAFE AND SANE FIREWORKS IS NOT SUBJECT TO CEQA PURSUANT TO SECTIONS 15060(C)(2) AND 15060(C)(3) OF THE STATE CEQA GUIDELINES AND IS NOT A "PROJECT", AS DEFINED IN SECTION 15378 OF THE STATE CEQA GUIDELINES.

WHEREAS, at the special municipal election held on June 3, 2014, the electorate of the City of Anaheim (the "City") voted to repeal Section 6.40.030 of the Anaheim Municipal Code, which prohibits (bans) the retail sale, possession or use of "safe and sane fireworks" (as defined in Sections 12500 *et seq.* of the Health and Safety Code of the State of California; herein the "State Fireworks Law") in the City except pursuant to a public display permit issued by the Fire Chief, and authorized the City Council to regulate safe and sane fireworks ("Measure E"); and

WHEREAS, pursuant to the will of the electorate, as expressed in the passage of Measure E, and the City's police power, as granted broadly under Article XI, Section 7 of the California Constitution, the City Council of the City of Anaheim ("City Council") adopted Ordinance No. 6323 repealing and replacing the previous Chapter 6.40.30 (Fireworks Prohibited) of Title 6 (Public Health and Safety) pursuant to its authority to enact and enforce ordinances and regulations for the public peace, morals and welfare of the City and its residents; and

WHEREAS, the State Fireworks Law authorizes local governments to regulate the sale, use, and/or discharge of fireworks; and

WHEREAS, among other things, Ordinance No. 6323 served to establish regulations allowing the sale of safe and sane fireworks within the Arena District of the Platinum Triangle Mixed Use Overlay Zone at the Honda Center; and

WHEREAS, as a result of a successful inaugural sales program at the Honda Center, the City Council adopted Ordinance No. 6366 in 2016 allowing sales of safe and sane fireworks in West Anaheim; and

WHEREAS, the City Council now desires to expand the sales of safe and sane fireworks to commercial properties west of SR-57 in order to provide additional opportunities for non-profit organizations to host fireworks booths for community fundraising purposes.

WHEREAS, the City Council recognizes the need to implement reasonable regulations for the sale, use, and/or discharge of safe and sane fireworks in order to protect the safety of spectators, property owners, residents, and visitors of the City of Anaheim; and

WHEREAS, pursuant to the California Environmental Quality Act (Public Resources Code Section 21000 *et seq.*; herein referred to as "CEQA") and the State of California Guidelines for Implementation of the California Environmental Quality Act (commencing with Section 15000 of Title 14 of the California Code of Regulations; herein referred to as the "State CEQA Guidelines"), the City is the "lead agency" for the preparation and consideration of environmental documents for this ordinance; and

WHEREAS, by the adoption of this ordinance, the City Council finds and determines as follows:

(a) The effects of the sale of safe and sane fireworks on property within the City that is authorized for the sale of safe and sane fireworks are typical of those generated within that class of projects which consist of the minor temporary use of land having negligible or no permanent effects on the environment, including carnivals and the sales of Christmas trees, and that, therefore, pursuant to Section 15304 (Minor Alterations to Land) of the State CEQA Guidelines, the sale of safe and sane fireworks pursuant to the rules and regulations set forth in this ordinance will not cause a significant effect on the environment and is, therefore, categorically exempt from the provisions of CEQA; and

(b) The discharge of safe and sane fireworks within certain areas of the City on certain dates and times each year pursuant to the rules and regulations set forth in this ordinance is not subject to CEQA pursuant to Sections 15060(c)(2) and 15060(c)(3) of the State CEQA Guidelines because it will not result in a direct or reasonably foreseeable indirect physical change in the environment and is not a "project", as defined in Section 15378 of the State CEQA Guidelines; and

WHEREAS, it is the intent of the City Council to reasonably regulate the sale, use and discharge of safe and sane fireworks within the City to protect the public health, safety and general welfare; and

WHEREAS, the City Council determines that this ordinance is a valid exercise of the local police power and in accord with the public purposes and provisions of applicable State and local laws and requirements.

NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF ANAHEIM DOES HEREBY ORDAIN AS FOLLOWS:

In addition to any other persons authorized by law, the Fire Chief or any representative of the Fire Department or Police Department of the City of Anaheim, or other City official authorized to enforce the Anaheim Municipal Code may seize, take, remove or cause to be removed all stock of fireworks offered or exposed for sale, manufactured, sold, possessed, stored, handled, discharged or used in violation of this chapter, and shall have the duty of enforcing the provisions of this chapter. Any seizure or removal pursuant to this section shall be in compliance with all applicable statutory, constitutional, and decisional law. In connection with such enforcement, they are authorized to enter, free of charge, at any reasonable time, any place of business, or to approach any person apparently conducting or employed in the operation of a business or the manufacture, sale, possession, storage, handling, discharge or use of prohibited fireworks, to verify compliance with the provisions of this chapter and with the Uniform Fire Code and any other Anaheim Municipal Code provisions related to fireworks enforcement. Such persons are hereby authorized to issue citations to persons violating any of the provisions of this chapter to appear in the Court of the North Orange County Judicial District at a time fixed in the citation and such citation shall be deemed to be a complaint charging violations of this chapter.

#### 6.40.100 ADMINISTRATIVE FINES AND PENALTIES.

A. Purpose and Scope

This section authorizes the imposition of administrative fines on any person who violates any provision of this chapter in order to encourage and obtain compliance with the provisions of this chapter for the benefit and protection of the entire community. This section governs the imposition, enforcement, collection and administrative review of all administrative fines, related to: (1) the possession, use, storage, sale and/or display of those fireworks classified as “dangerous fireworks” in California Health and Safety Code Section 12500 *et seq.*, with the exception of a pyrotechnic licensee when operating pursuant to that license; and (2) the sale of safe and sane fireworks; and (3) the use of safe and sane fireworks on or at dates, times and/or locations other than those permitted by this chapter. Said administrative fines are imposed under authority of Section 53069.4 of the California Government Code, Section 12557 of the California Health and Safety Code, and the police power of the City.

The issuance of citations imposing administrative fines may be performed at the discretion of the officials of the City authorized under Section 6.40.080 or chapter 1.20 of this code; and the issuance of a citation to any person constitutes but one remedy of the City to redress violations of this chapter by any person. By adopting this chapter, the City does not intend to limit its authority to employ any other remedy, civil or criminal, to redress any violation of this chapter by any person, which this City may otherwise pursue.

The imposition of fines related to “dangerous fireworks” under this chapter shall be limited to persons who possess, sell, use and/or display, or the seizure of, 25 pounds or less (gross weight) of such dangerous fireworks.

Fines collected pursuant to this chapter related to “dangerous fireworks” shall not be subject to Section 12706 of the California Health and Safety Code, which section provides that certain fines collected by a court of the state be deposited with, and disbursed by, the County Treasurer. However, the City shall provide cost reimbursement to the State Fire Marshal pursuant to regulations to be adopted by the State Fire Marshal addressing the State Fire Marshal’s cost for the transportation and disposal of “dangerous fireworks” seized by the City, which costs will be part of any administrative fine imposed. Unless and until said regulations have been adopted by the state of California, the City shall hold in trust \$250 or 25% of any fine collected, whichever is greater, to cover the cost reimbursement to the State Fire Marshal for said cost of transportation and disposal of “dangerous fireworks.”

Because of the serious threat of fire or injury posed by the use of “dangerous fireworks” that can result from persistent or repeated failures to comply with the provisions of this chapter and the effect of such conditions or activities on the safety and the use and enjoyment of surrounding properties and to the public health, safety and welfare, this chapter imposes strict civil liability upon the owners of real property for all violations of this chapter existing on their real

property. Each contiguous use, display and/or possession shall constitute a separate violation and shall be subject to a separate administrative fine.

B. Penalties for Violations.

1. Each person who violates any provision of this chapter as it relates to the possession, use, storage, sale and/or display of "dangerous fireworks" shall be subject to the imposition and payment of an administrative fine or fines as provided below:

Number of Offenses in One-Year Period	Amount of Administrative Penalty	Late Charge	Total Amount of Penalty plus Late Charge

Third	\$3,000.00	\$1,000.00	\$4,000.00

2. Each person who sells or uses "safe and sane fireworks" on or at dates, times and/or locations other than those permitted by this chapter shall be subject to the imposition and payment of an administrative fine or fines as provided below:

Number of Offenses in One-Year Period	Amount of Administrative Penalty	Late Charge	Total Amount of Penalty plus Late Charge
First	\$250.00	\$125.00	\$375.00
Second	\$500.00	\$250.00	\$750.00
Third	\$1,000.00	\$500.00	\$1,500.00

3. Payment of an administrative fine shall not excuse or discharge a citee from the duty to immediately abate and correct a violation of this chapter, nor from any other responsibility or legal consequences for a continuation or a repeated occurrence(s) of a violation of this chapter.

SECTION 2. SEVERABILITY.

The City Council of the City of Anaheim hereby declares that should any section, paragraph, sentence, phrase, term or word of this ordinance be declared for any reason to be invalid, it is the intent of the City Council that it would have adopted all other portions of this ordinance independent of the elimination herefrom of any such portion as may be declared invalid. If any section, subdivision, paragraph, sentence, clause or phrase of this Ordinance is for any reason held to be invalid or unconstitutional, such decision shall not affect the validity of the remaining portions of this Ordinance. The City Council hereby declares that it would have passed this Ordinance, and each section, subdivision, paragraph, sentence, clause and phrase thereof, irrespective of the fact that any one (or more) section, subdivision, paragraph, sentence, clause or phrase had been declared invalid or unconstitutional.
