

San Gorgonio Wind Farm

The City executed a Power Purchase Agreement with San Gorgonio Farms, Inc. for 31 MW of intermittent renewable wind energy from the existing San Gorgonio Farms Wind Farm located in Whitewater, California (near Palm Springs). Transmission is provided by the California Independent System Operator.

This agreement has an initial term of ten years ending December 31, 2023, with an option to extend for two additional 10-year periods.
