CITY OF ANAHEIM MAYOR

NAME: ASHLEIGH AITKEN **AGE: 42**
OCCUPATION: Consumer Protection Attorney **(Optional)**

I love Anaheim. As a former federal prosecutor and mom raising my family in my hometown, I'm running for mayor to protect our small-town feel while tackling the growing pains our neighborhoods face. As mayor, I will ensure Anaheim:

- Reduces homelessness,
- Provides additional public safety resources to shorten emergency response times,
- Makes housing more affordable for our children and recent college graduates, and
- Revitalizes neglected neighborhoods.

Experience. I'm an attorney who serves our community to protect small businesses and individuals against giant corporations and special interests, and previously as a federal prosecutor to get illegal weapons off our streets and put pedophiles and sex-traffickers behind bars. I have the leadership experience Anaheim needs to bring people together to champion our neighborhoods. I've also served as Anaheim Community Services Board chair, OC Fair Board chair, Girl Scout troop leader, and OC Bar Association president.

Support. I am endorsed by our Anaheim education leaders, local prosecutors, unions representing Anaheim city employees and other working families, and community leaders, including Chef Bruno Serato, Congresswoman Loretta Sanchez (Ret.), Congressman Lou Correa, and U.S. Senator Dianne Feinstein.

Let's work to unite Anaheim neighborhoods and improve our city. Call 714-794-9856 or visit www.AshleighAitken.com.
