RE: Residential Street Improvement Project Acacia Phase I
RCP2019-15097

FOR INFORMATION ONLY, The Department of Public Works is advertising for the Residential Street Improvement Project Acacia Phase I.

The work to be done consists of rehabilitating the roadway by removing and reconstructing asphalt concrete, sidewalks, driveway approaches, curb & gutters, and preservation of survey monuments; installation of striping, pavement markings, and repainting curbs as well as the adjustments and/or replacement of public Utilities (Water Valve Boxes, Sewer Manholes, Gas Valves, Etc.); distributing public notification; providing traffic control, and all appurtenant work as shown on the plans and delineated in the specifications.

This project will rehabilitate and improve the City's existing roadway condition as well as other public works infrastructure elements in the Acacia Neighborhood in Central Anaheim, District 5.

A 10% bid bond is required. Overall Project Liquidated Damages will be \$1,000.00 per day.

Note: Suggested License Classification – Engineering “A”
