The Hotel Circle Specific Plan 93-1

On August 9, 1994, the City Council approved the Hotel Circle Specific Plan including reclassifying 6.8 acres to the Hotel Circle Specific Plan 93-1 Zone and adding Chapter 18.79 to the Zoning Code (per Ordinance Nos. 5443 and 5444)

In August 2004, the Anaheim Municipal Zoning Code was updated. Hotel Circle Specific Plan 93-1 is currently **Chapter 18.118** and no longer referenced as Chapter 18.79, as originally adopted. A link has been provided to this zoning code section.

Since the adoption of The Hotel Circle Specific Plan 93-1 one specific plan amendment and one specific plan adjustment were approved and incorporated into the specific plan document as follows:

Amendment No. 1 - Ordinance No. 5614

On October 21, 1997, the Anaheim City Council adopted Ordinance No. 5614 approving Amendment No. 1 to the Hotel Circle Specific Plan No. 93-1, which amended the Zoning and Development Standards set forth in Chapter 18.79 (now Chapter 18.118) of the Anaheim Municipal Code relating to increasing the timing from five to eight years for converting existing hotels to vacation ownership units, permitting hotel units and vacation ownership units on a permanent basis subject to the approval of a conditional use permit, permitting subterranean parking and permitting theme signage subject to approval of a conditional use permit and providing for up to 969 units to be vacation ownership resort units as a permitted use.

Adjustment No. 1 – Ordinance No. 5625

On November 18, 1997, the Anaheim City Council adopted Ordinance No. 5625 approving Adjustment No. 1 to the Hotel Circle Specific Plan No. 93-1, which amended the Zoning and Development Standards set forth in Chapter 18.79 (now Chapter 18.118) of the Anaheim Municipal Code relating to standards addressing the final site plan review process, definitions, driveway widths, conditional uses, permitted encroachments, parking and signage.
