# **Temporary Closure: Anaheim Housing Authority**

*March 16, 2020, through March 31, 2020,  
subject to updates*

To help slow the spread of coronavirus, Anaheim Housing Authority main office will temporarily close to the public through March 31, subject to change with local, state and federal updates.

The closure is part of Anaheim's effort to support a California policy to limit public gatherings and to encourage social distancing.
