

Oak Canyon Nature Center
"Opening Doors to Nature"

Sound System Information

For Weddings and Facility Rentals

Weddings held at Oak Canyon Nature Center are invited to use the Nature Center's sound system. The two-speaker, Sound Machine model SM-5 sound system will be set up and taken down by OCNC staff on the day of your event. Because this sound system is portable and battery-powered, it can be placed to fit your design needs. The sound system includes:

- (2) Wireless channels to accommodate only 2 devices:
 - (2) Wireless Microphones
 - (2) Lavalier Microphones
- (2) Speaker Stands
- (2) Microphone Stands
- (1) iPod, MP3, and Laptop Connection *with aux cord*
- (1) CD Player

The system also includes additional jacks:

- RCA Audio (Input and Output)
- (3) XLR Inputs & (1) XLR Output
- (1) ¼ in. Phone Plug Input & (1) ¼ in. Phone Plug Output
- (1) Speaker Connector *used for OCNC staff to connect the second speaker*
