

The Arena at the Anaheim Convention Center

The classic domed premier mid-sized Arena is part of the Convention Center complex and, with 28,140 square feet, it is a convenient option for a meeting or event location. The outdoor space, the Arena Plaza, with its dramatic fountain centerpiece, can accommodate receptions up to 5,500 people.

OVERVIEW

- The Arena seats 7,500 utilizing two levels of permanent, theater-style seats and additional non-permanent floor and riser seats
- Ceiling height from 45' to 89'
- 28,140 square feet of concrete floor with unlimited floor loads
- Staging is available in 48", 56", 64", and 72" heights
- Load-in via floor-level truck alleys
- Features two distinct lighting systems, including a television quality sports metal-halide (HID) and a multi-vapor indirect lighting system
- Three performer's dressing rooms and two fully functional locker rooms that include shower facilities
- RainbowWall® LED display and ProLine Scoreboard System from Tran-Lux Sports. This system can add a great interactive multimedia element while the scoreboard can accommodate a variety of sporting events.
- Intercom and Public Address Systems
- Two permanent and numerous portable concession stands are conveniently located throughout the Arena. Aramark, the official caterer, is a world leader in facility food services, can provide general fare or any specialty catering needs
- Fully staffed, thirteen-window box office
- Two in-arena meeting rooms of 2,100 & 3,100 square feet (or combined as one with 5,200 square feet) for hospitality use
- Upper concourse contains a modern control booth and announcers booth
