CITY OF ANAHEIM COUNCIL MEMBER DISTRICT 4

NAME: ANNEMARIE RANDLE-TREJO **AGE: 58**
(Optional)
OCCUPATION: Anaheim Union High School District Governing Board Member

District 4, I've heard you.

The highest percentage of renters are in District 4; developers aren't building affordable homes and years ago we agreed to Ban STR's causing neighborhoods to become hotels and families to leave Anaheim!

You demand a leader who doesn't give away subsidies to large corporations we grow dependent on. One, with bold policies and an economic plan to solve the budget, homelessness, and housing crisis which plagued our city before the pandemic.

Through my leadership, A.U.H.S.D is developing the future workforce our city needs with P.L.E.D.G.E., A.I.M.E., "Innovation Lab", and dozens of C.T.E. Pathways (including Federal Aviation & Cyber Security). Anaheim's innovation potential is tremendous.
Let's make Anaheim an emerging city!

I oversee multimillion budgets and modernization projects (including Katella's beautiful campus); completed on time and on budget. Refinanced revenue saved taxpayers \$16 million.

I am your neighbor with eight years as trustee, twenty-five years employed with A.E.S.D, volunteer history of twenty-eight years, and a thirty-year Anaheim residency shows loyalty to District 4 residents.

I care and will work hard for your continued trust.
