### **Holiday Light Exchange**

Swing by the Library to "brighten up your holidays" and upgrade your holiday lighting options. Anaheim Public Utilities is offering their customers the chance to replace old, incandescent light bulbs for more energy-efficient bulbs! The replacements bulbs are Energy Star® certified and feature both interior and exterior specifications.

Bring in your old lights in exchange for new lights at the Central or Canyon Hills Branch. You'll need your Anaheim Public Utilities bill or a valid driver's license that shows your Anaheim address. Exchanges are limited to one strand per household while supplies last. For more information, visit [anaheim.net/utilities](http://anaheim.net/utilities) or call at 714-765-4250.
