### **Holiday Light Exchange**

Stop by the Library and "brighten up your holidays" by upgrading your lighting options. Anaheim Public Utilities is offering their customers the chance to replace old, incandescent light bulbs for more energy-efficient bulbs! The replacements bulbs are Energy Star® certified and feature both interior and exterior specifications.

Beginning November 26 you can bring one old strand of lights and exchange it for a new strand at either the Central Library or Canyon Hills Branch. In order to complete the exchange, you'll need your Anaheim Public Utilities bill or a valid driver's license with your Anaheim address. Exchanges are limited to one strand per household while supplies last. For more information, visit [anaheim.net/utilities](http://anaheim.net/utilities) or call at 714-765-4250.
