ADDENDUM #1

BID #7145 – IBM BLADE SERVERS

Addendum #1 issued to provide clarification to blade description.

Question #1

In looking at the pricing sheet entitled 7145Spec1 for bid 7145, this bidder wants to confirm if this is an Intel blade bid! The Header on the bid describes the JS22 which are AIX blades, however the part numbers you reference relate to Intel Blades.

Answer:

Yes these blades are supposed to be for three HS21 Intel Blades. All bidders are to acknowledge this clarification and submit their proposals using 7145Specs1 - Revised as their basis for providing pricing. This revised specification shall be attached herein or may be downloaded via the City of Anaheim link: http://www.anaheim.net/docs_agend/bids.asp

There are no other changes, additions, or deletions by issuance of this addendum.
