ADDENDUM #1

BID # 7292-FIBER OPTIC TRANSMISSION EQUIPMENT: IFS

The following addendum is issued to clarify the following.

THIS BID IS POSTPONED UNTIL FURTHER NOTICE.

We anticipate releasing another addendum in the future. Possible changes to the bid specifications may include, but not be limited to changes in the quantities, the allowance of tested and approved equals. City may cancel this bid in its entirety. City may issue a new notice inviting bids for its requirements.

Please visit the website at http://www.anaheim.net/docs_agend/bids.asp for new addendum postings.

If you believe you have alternative, fully compatible, interchangeable, equal or better in performance items compared to the items specified in the bid, then the manufacturer must provide, at a minimum, a side-by-side comparison with manufacturer's name, part numbers, product data sheets to: John Thai, Principal Traffic Engineer, jthai@anaheim.net, 714-765-5202. City may require, at no cost to City, one or more of each line item for testing; after testing has been completed, the items may be returned at the supplier's expense. City may require meetings, at no cost to City, with the manufacturer's representatives to support or clarify product claims and to answer questions.

Should this bid be reactivated, you must also acknowledge, on the line provided under point #19 of the Vendor's Bid Package, all addendum that you have received wherein it states:

To ensure that your bid is predicated upon having received all such addendum, enter the last number received below; if none have been received, enter "none":

There are no other changes, additions, or deletions by issuance of this addendum.
