ADDENDUM #2

BID # 7322 – REPAIRS: ANAHEIM CONVENTION CENTER DOORS

This addendum is issued to provide answers to bidder's questions as a result of jobwalk on October 22, 2009 and to provide a copy of revised price sheet and job walk sign-in sheet.

Question #1:

How many fire doors does the Convention Center have?

City's Response:

The Convention Center has a total of twenty-three (23) fire doors. **NOTE: As discussed at the job walk, drop testing shall be performed on each fire door, all in accordance with Fire regulations. *** Please see attached revised price sheet on Page 3 of 9 of bid document adding a line item for drop testing. Submit with bid. *****

Question #2:

Will you be providing any plans on-line for review so that I can confirm the number of roll up doors, grilles, shutter and fire doors to be proposed?

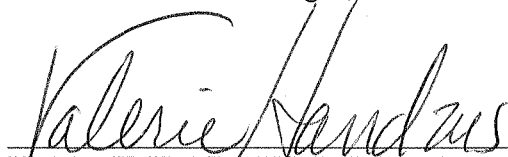

City's Response:

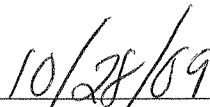

There are no door "plans" available at this time. Bidder should have a general idea as to the number of Convention Center roll up/pedestrian doors or concession stand grilles as shown at the job walk.

NOTE: By bidder's request, the attached mandatory job walk sign-in sheet is provided to only those who attended.

**ATTACHMENTS: Bidder's Job Walk Sign In Sheet
Revised Price Sheet, Page 3 of 9 *SUBMIT WITH BID***

There are no other changes, additions or deletions by issuance of this addendum.
