VENDOR DELIVERY DATE

Each bidder shall provide, in the space noted below, the maximum number of calendar days, after receipt of a purchase order, that will be required to deliver the vehicle or equipment as specified.

It is of the utmost concern to the City of Anaheim that the vendor-supplied delivery date be met.

Any delays in delivery date as quoted herein shall be immediately reported in writing to the purchasing agent with a copy to the requesting department representative. Any change in the original quoted delivery date is subject to approval by the City.

However, the City of Anaheim reserves the right to cancel the purchase order for non-performance of quoted delivery at no cost or obligation to the City.

VENDOR DELIVERY _____

AUTHORIZED REPRESENTATIVE _____
