### BUILDING INSPECTION AND BUILDING PLAN CHECK STATUS ONLINE

Did you know that you can check the status of your inspection or plan check online? Checking the status of your plan check or permits online is quick and easy, and provides you with the flexibility to do so from the comfort of your home or office.

#### HOW TO CHECK YOUR INSPECTION AND PLAN CHECK STATUS ONLINE

1. Open an internet browser window and type the following URL into the Address box:  
[www.anaheim.net/building](http://www.anaheim.net/building).
2. Click on the "Inspection Status" or "Plan Check Status" link (Figure 1).

Figure 1

3. A new window will appear. Click on the "Check your Building Inspection Status" or "Check your Building Plan Check Status" link (Figure 2).

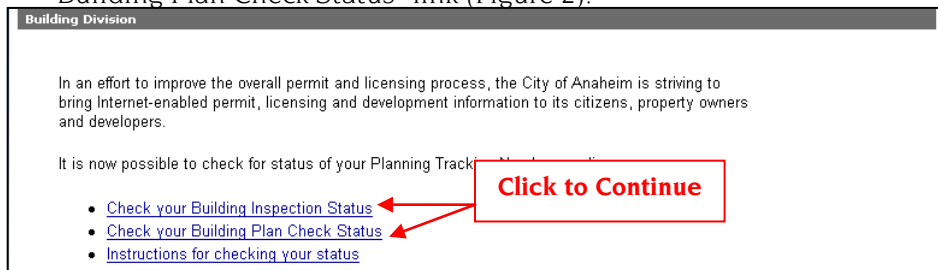

Figure 2

4. Type your permit # in the permit number field. (Figure 3)
  - OR -
5. Type the address in the address fields, including as much information as possible (number, fraction, prefix, street, and unit). (Figure 3)
6. Click [Search](#) or hit the Enter key.

Figure 3

7. Make sure that the search result is for the correct site (Figure 4).
  - a. If the address is correct, click on the link under the permit number heading.
  - b. If the address is incorrect, click on [Back to Search](#) and re-enter the permit # or address.

Figure 4

The **View Permit Status** window gives you the following useful information (Figure 5):

- Permit #
- Status
- Received date
- Issue date
- Expiration date
- Finalized date
- Project description
- Inspections and their status
- Plan Check Steps and their status
- Status (Disposition) Codes
