

ANAHEIM

PRESERVING OUR COMMUNITY

VEHICLE PARKING

The City of Anaheim seeks to eliminate blight, improve the appearance of business and residential areas and create a community where all those who live, work and play can experience a sense of pride and well being. Your partnership is needed to achieve these goals.

The City of Anaheim's Nuisance Ordinance and Zoning Codes are designed to protect the residential atmosphere of your neighborhood as well as to prevent unsafe and unsightly use of property.

By reporting violations of our codes, you allow us to work together to achieve the quality of life everyone wants to enjoy in Anaheim.
