## CALIFORNIA DEPARTMENT OF TRANSPORTATION DISADVANTAGED BUSINESS ENTERPRISE IMPLEMENTATION AGREEMENT

For the City/County of ANAHEIM / ORANGE, hereinafter referred to as "RECIPIENT."

### I Definition of Terms

The terms used in this agreement have the meanings defined in 49 CFR § 26.5.

### II OBJECTIVE/POLICY STATEMENT (§26/1, 26/23)

The RECIPIENT intends to receive federal financial assistance from the U. S. Department of Transportation (DOT) through the California Department of Transportation (Caltrans), and as a condition of receiving this assistance, the RECIPIENT will sign the California Department of Transportation Disadvantaged Business Enterprise Implementation Agreement (hereinafter referred to as Agreement). The RECIPIENT agrees to implement the State of California, Department of Transportation Disadvantaged Business Enterprise (DBE) Program Plan (hereinafter referred to as the DBE Program Plan) as it pertains to local agencies. The DBE Program Plan is based on U.S. Department of Transportation (DOT), 49 CFR, Part 26 requirements.

It is the policy of the RECIPIENT to ensure that DBEs, as defined in Part 26, have an equal opportunity to receive and participate in DOT-assisted contracts. It is also their policy:

- To ensure nondiscrimination in the award and administration of DOT-assisted contracts.
- To create a level playing field on which DBE's can compete fairly for DOT-assisted contracts.
- To ensure that their annual overall DBE participation percentage is narrowly tailored, in accordance with applicable law.
- To ensure that only firms that fully meet 49 CFR, Part 26 eligibility standards are permitted to participate as DBEs.
- To help remove barriers to the participation of DBEs in DOT-assisted contracts.
- To assist the development of firms that can compete successfully in the market place outside the DBE Program.

### III Nondiscrimination (§26.7)

RECIPIENT will never exclude any person from participation in, deny any person the benefits of, or otherwise discriminate against anyone in connection with the award and performance of any contract covered by 49 CFR, Part 26 on the basis of race, color, sex, or national origin. In administering the local agency components of the DBE Program Plan, the RECIPIENT will not, directly, or through contractual or other arrangements, use criteria or methods of administration that have the effect of defeating or substantially impairing accomplishment of the objectives of the DBE Program Plan with respect to individuals of a particular race, color, sex, or national origin.

#### **IV Annual DBE Submittal Form (§26.21)**

The RECIPIENT will provide to the Caltrans District Local Assistance Engineer (DLAE) a completed “Local Agency DBE Annual Submittal Form (Exhibit 9-B)” by June 1 of each year for the following Federal Fiscal Year (FFY). This form includes an Annual Anticipated DBE Participation Level (AADPL), methodology for establishing the AADPL, the name, phone number, and electronic mailing address of the designated DBELO, and the choice of Prompt Pay Provision to be used by the RECIPIENT for the following FFY.

#### **V Race-Neutral Means of Meeting the Overall Statewide Annual DBE Goal (§26.51)**

RECIPIENT must meet the maximum feasible portion of its AADPL by using race neutral means of facilitating DBE participation. Race neutral DBE participation includes any time a DBE wins a prime contract through customary competitive procurement procedures, is awarded a subcontract on a prime contract that does not carry a DBE goal, or even if there is a DBE goal, wins a subcontract from a prime contractor that did not consider its DBE status in making the award (e.g., a prime contractor that uses a strict low-bid system to award subcontracts).

Race neutral means include, but are not limited to, the following:

1. Arranging solicitations, times for the presentation of bids, quantities, specifications, and delivery schedules in ways that facilitate DBE, and other small businesses, participation (e.g., unbundling large contracts to make them more accessible to small businesses, requiring or encouraging prime contractors to subcontract portions of work that they might otherwise perform with their own forces);
2. Providing assistance in overcoming limitations such as inability to obtain bonding or financing (e.g., by such means as simplifying the bonding process, reducing bonding requirements, eliminating the impact of surety costs from bids, and providing services to help DBEs, and other small businesses, obtain bonding and financing);
3. Providing technical assistance and other services;
4. Carrying out information and communication programs on contracting procedures and specific contract opportunities (e.g., ensuring the inclusion of DBEs and other small businesses on recipient mailing lists of bidders; ensuring the dissemination to bidders on prime contracts of lists of potential subcontractors; provision of information in languages other than English, where appropriate);
5. Implementing a supportive services program to develop and improve immediate and long-term business management, record keeping, and financial and accounting capability for DBEs and other small businesses;
6. Providing services to help DBEs and other small businesses, improve long-term development, increase opportunities to participate in a variety of types of work, handle increasingly significant projects, and achieve eventual self-sufficiency;
7. Establishing a program to assist new, start-up firms, particularly in fields in which DBE participation has historically been low;
8. Ensuring distribution of your DBE directory through print and electronic means to the widest feasible universe of potential prime contractors; and
9. Assisting DBEs and other small businesses to develop their capability to utilize emerging technology and conduct business through electronic media.

**VI Race Conscious Means of Meeting the Overall Statewide Annual DBE Goal (§26.51(d))**

RECIPIENT must establish contract goals for Underutilized Disadvantaged Business Enterprises (UDBEs) to meet any portion of your AADPL you do not project being able to meet using race neutral means. UDBEs are limited to these certified DBEs that are owned and controlled by African Americans, Native Americans, Women, and Asian-Pacific Americans.

**VII Quotas (§26.43)**

RECIPIENT will not use quotas or set-asides in any way in the administration of the local agency component of the DBE Program Plan.

**VIII DBE Liaison Officer (DBELO) (§26.25)**

RECIPIENT has designated a DBE Liaison Officer. The DBELO is responsible for implementing the DBE Program Plan as it pertains to the RECIPIENT, and ensures that the RECIPIENT is fully and properly advised concerning DBE Program Plan matters. The DBELO has no staff assigned to the DBE program, but will utilize existing part-time employees as may be available to support the DBELO and programs requirements.

[Note – this language is to be used verbatim, as it is stated in §26.13(a).]

**Prompt Payment of Withheld Funds to Subcontractors**

Federal regulation (49 CFR 26.29) requires one of the following three methods be used in federal-aid contracts to ensure prompt and full payment of any retainage kept by the prime contractor or subcontractor to a subcontractor.

Please check the box of the method chosen by the local agency to ensure prompt and full payment of any retainage.

- Method 1:** No retainage will be held by the agency from progress payments due to the prime contractor. Prime contractors and subcontractors are prohibited from holding retainage from subcontractors. Any delay or postponement of payment may take place only for good cause and with the agency's prior written approval. Any violation of these provisions shall subject the violating contractor or subcontractor to the penalties, sanctions, and other remedies specified in Section 7108.5 of the California Business and Professions Code. This requirement shall not be construed to limit or impair any contractual, administrative or judicial remedies, otherwise available to the contractor or subcontractor in the event of a dispute involving late payment or nonpayment by the contractor, deficient subcontractor performance and/or noncompliance by a subcontractor. This clause applies to both DBE and non-DBE subcontractors.
- Method 2:** No retainage will be held by the agency from progress payments due the prime contractor. Any retainage kept by the prime contractor or by a subcontractor must be paid in full to the earning subcontractor in 30 days after the subcontractor's work is satisfactorily completed. Any delay or postponement of payment may take place only for good cause and with the agency's prior written approval. Any violation of these provisions shall subject the violating contractor or subcontractor to the penalties, sanctions, and remedies specified in Section 7108.5 of the California Business and Professions Code. This requirement shall not be construed to limit or impair any contractual, administrative or judicial remedies, otherwise available to the contractor or subcontractor in the event of a dispute involving late payment or nonpayment by the contractor, deficient subcontractor performance and/or noncompliance by a subcontractor. This clause applies to both DBE and non-DBE subcontractors.
- Method 3:** The agency shall hold retainage from the prime contractor and shall make prompt and regular incremental acceptances of portions, as determined by the agency of the contract work and pay retainage to the prime contractor based on these acceptances. The prime contractor or subcontractor shall return all monies withheld in retention from all subcontractors within 30 days after receiving payment for work satisfactorily completed and accepted including incremental acceptances of portions of the contract work by the agency. Any delay or postponement of payment may take place only for good cause and with the agency's prior written approval. Any violation of these provisions shall subject the violating prime contractor to the penalties, sanctions, and other remedies specified in Section 7108.5 of the California Business and Professions Code. This requirement shall not be construed to limit or impair any contractual, administrative or judicial remedies otherwise available to the contractor or subcontractor in the event of: a dispute involving late payment or nonpayment by the contractor; deficient subcontractor performance and/or noncompliance by a subcontractor. This clause applies to both DBE and non-DBE subcontractors.
