

Name: HARRY SIDHU
Occupation: Councilmember

For the past four years, it has been a privilege to serve as your councilman. I am seeking your support for my reelection.

Through common sense leadership, I have strived to place the needs of the taxpayers and our businesses first. As a result, Anaheim residents and businesses have been given greater freedom of choice and opportunities.

Our city of champions has progressed through innovative and efficient decision making including:

- Keeping utility rates low; fighting against new taxes; balancing the budget.
Putting more police and fire fighters on the job.

- Maintaining and improving streets.

- Improving neighborhoods by fighting graffiti and encouraging homeowner investment.

- Revitalizing historic Downtown, housing and Platinum Triangle development.

- Expanding libraries, parks, gyms and youth facilities.

I will ensure accountability to the taxpayers, the highest level of police and fire protection, an anti-graffiti task force, an open door policy in city business dealings, and above all, improvement of our quality of life.

It would be an honor to serve a second term as your councilman and to diligently work toward finding solutions for the current economic situation facing those who live and do business in our city. Please visit my website www.JoinHarry.com.
