Walnut Canyon Road

Your guests may park along one side of this road. No parking signs will be covered by our staff as part of your package.

Reception Deck

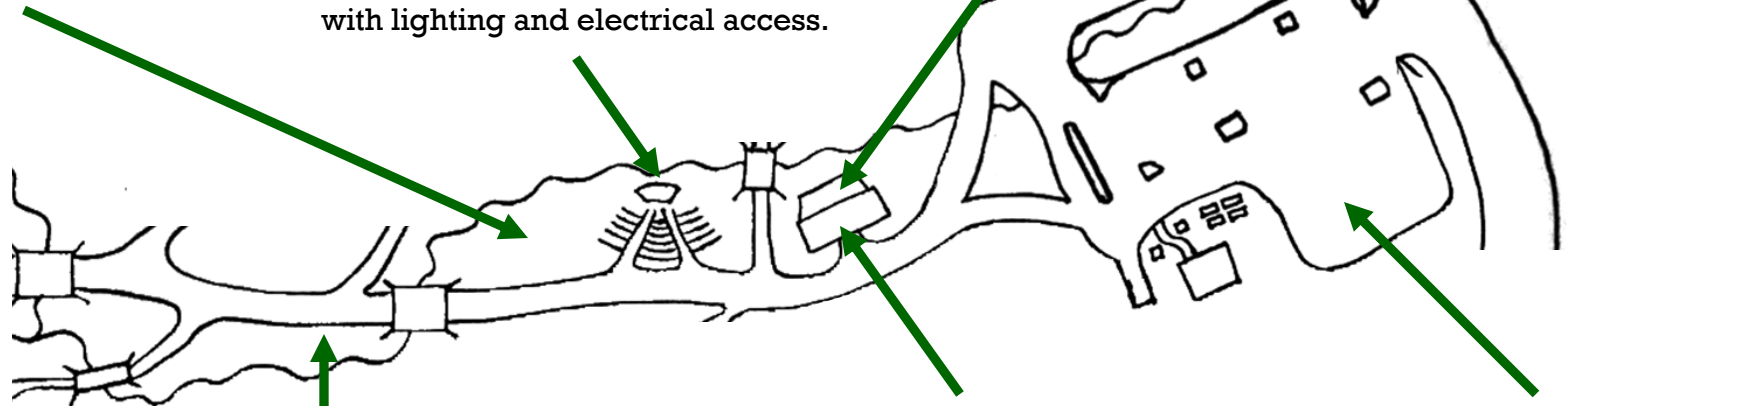

Our three-tier deck located behind the interpretive center provides a beautiful space overlooking the year-round stream that is perfect for small receptions and hors d'oeuvres.

Amphitheatre

The amphitheatre is comprised of permanently mounted benches which provide seating for up to 225 guests in addition to the stage with rustic arbor. This area comes with lighting and electrical access.

Reception Area 1

Our first reception is located adjacent to the amphitheatre and is the perfect size for more intimate receptions and has access to electrical via the amphitheatre.

Reception Area 2

Our second reception area, comprised of the area on both sides of the Main Road past the bridge, provides a more open area for larger receptions. While there is no electrical access, generators may be used.

Museum & Restrooms

The interior of this building houses the restrooms which will be accessible during your wedding as well as our office. Weddings booked outside of regular operating hours may choose to use the building as a "bride's room".

Parking Lot & Additional Restrooms

Our main parking lot contains parking for approximately 45 vehicles and houses public restrooms as well as a picnic area.
