Subject: **VEHICLE BURGLARY SUSPECTS ARRESTED**

Suspects: Cesar Ricardo Vazquez , age 31
Jose Michael Torres, age 35

Anaheim Police detectives have concluded a number of undercover surveillances and have arrested two men believed to be responsible for a number of vehicle burglaries that have occurred in the Anaheim Resort area during the past 18 months. These two career criminals were arrested on June 10, 2010 at approximately 3:00 AM while in the commission of burglarizing vehicles. They were observed by detectives and arrested in a motel parking lot in the 1300 block of south Harbor Boulevard. They are believed to be a part of a group of criminals responsible for some of the over 200 burglaries to automobiles in the past two years. They had been previously arrested for the same type of crimes in the same area and had served time in in prison.

In this most recent arrest, Anaheim Police did not publicize their arrests because additional surveillance were continued to determine if there were other suspects involved. Search warrants were executed at their residences, and additional stolen property from other burglaries from the area were recovered.

These thieves targeted vehicles parked primarily in hotel/motels in the Anaheim Resort. They searched for vehicles with valuables left in plain view. They looked for GPS devices, laptop computers, luggage, purses and anything else of value. They would break the windows, reach into the vehicles and quickly depart with the stolen property.
