Subject: **SERIAL BURGLARY SUSPECTS ARRESTED -
POLICE SEARCHING FOR OWNERS OF STOLEN PROPERTY**

Since October of 2008, Anaheim Police has been investigating a rash of residential burglaries involving the same method of operations. Victims have returned home to find their houses burglarized and large quantities of personal items stolen. Detectives have been conducting a lengthy and thorough investigation of these cases and have arrested 7 individuals responsible for these crimes. The arrests have cleared 20 burglary cases in Anaheim, 1 Santa Ana case, 1 Buena Park case and 1 Garden Grove case. The possibility exists that these individuals may be responsible for other cases in Orange County.

Patrick Jonel Cabanilla (age 18 of Anaheim) and 5 minors (all age 17) have been arrested and charged with numerous counts of burglary. **Oun Alrzouq** (pronounced as "Owen Alzarkay" / age 42 of Anaheim) has been arrested and charged with four counts of receiving stolen property and one count of conspiracy.

Detectives have recovered stolen property and are working to return the items to their rightful owners. We are in possession of stolen items that we have not been able to determine who the owners are. Items include jewelry, a flat screen television, a few computers, approximately 1 dozen cameras, a few "play stations", coins, and other personal items.

Members of the media desiring to take photographs or tape of the property is encouraged to call PIO Sergeant Rick Martinez at the above listed phone number. Anyone with information and victims desiring to view the property are asked to call detectives at (714) 765-1568.
