

# FREE ONLINE HOME UTILITY AUDIT

Log onto Anaheim Public Utilities' free Online Home Utility Audit and receive customized water and energy efficiency recommendations that may help you save money on your utility bills. This new online survey will:

- help you understand how electricity and water are used in your home
- identify ways you can save money on your utility costs
- illustrate consumption patterns for your account over the past year
- make recommendations for weatherizing your home
- advise on low-cost and no-cost energy and water saving tips
- open the door to an array of Advantage Services that can help you save even more energy, water, and money!

Simply sign on to [www.anaheim.net](http://www.anaheim.net) and click on Anaheim Public Utilities. Have your Customer ID and Location ID numbers available. For more information, call 765-4254.
