

On the Road Checklist

- If you encounter street flooding, avoid it — think “turn around, don’t drown”
- In heavy rain, drive in center lanes to avoid water buildup along curbs
- Drive in the tire tracks of the vehicle ahead of you for added traction
- Check tires for wear
- Install new windshield wipers
- Make sure lights work properly
- Ensure brakes are in good, working order
- Register your phone for emergency notifications
- Learn the safest routes to and from home, work and school
- Map alternate routes, if needed
- Keep a flashlight with fresh batteries in your vehicle
