

You're Invited to a Community Meeting!

OC Parks is hosting a community meeting to share route alternatives for the three study segments (D, F & H) along the OC Loop. Please join us to learn more about these proposed alternative routes. Let's work together to complete the vision for this 66-mile seamless link for people to bike, walk and access some of the county's most scenic beaches, local parks, schools, shopping areas and active transportation corridors.

Tuesday, November 15, 2016

6 p.m. – 8 p.m.

Yorba Linda Community Center
4501 Casa Loma Avenue
Yorba Linda, CA 92886

6:00 p.m. - Open House

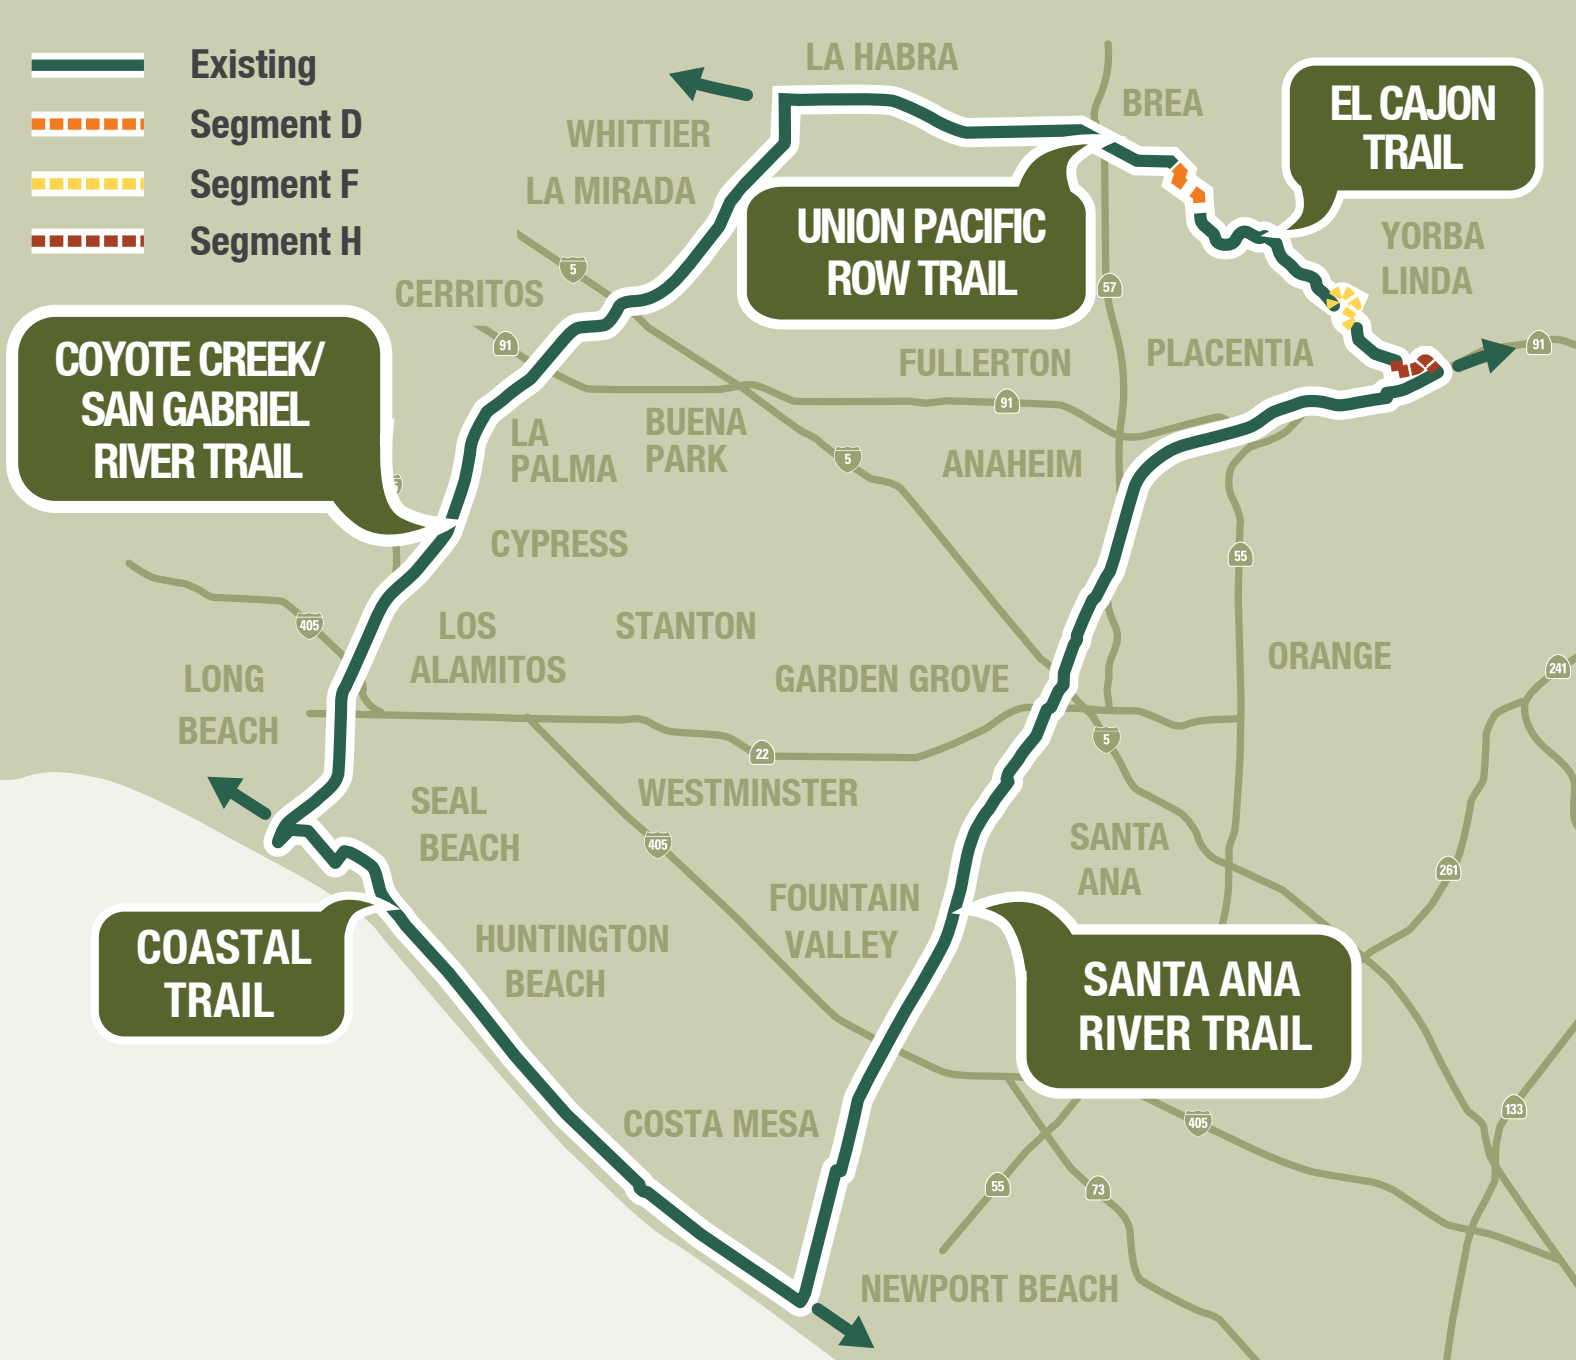

6:30 p.m. - **Presentation**

7:00 p.m. - Review project exhibits and discussion.

OC LOOP at a Glance

66 miles total ~ 650,000 residents and 340,000 jobs within 1 mile

Connections to 17 cities ~ Links to 200 parks ~ Access to 180 schools

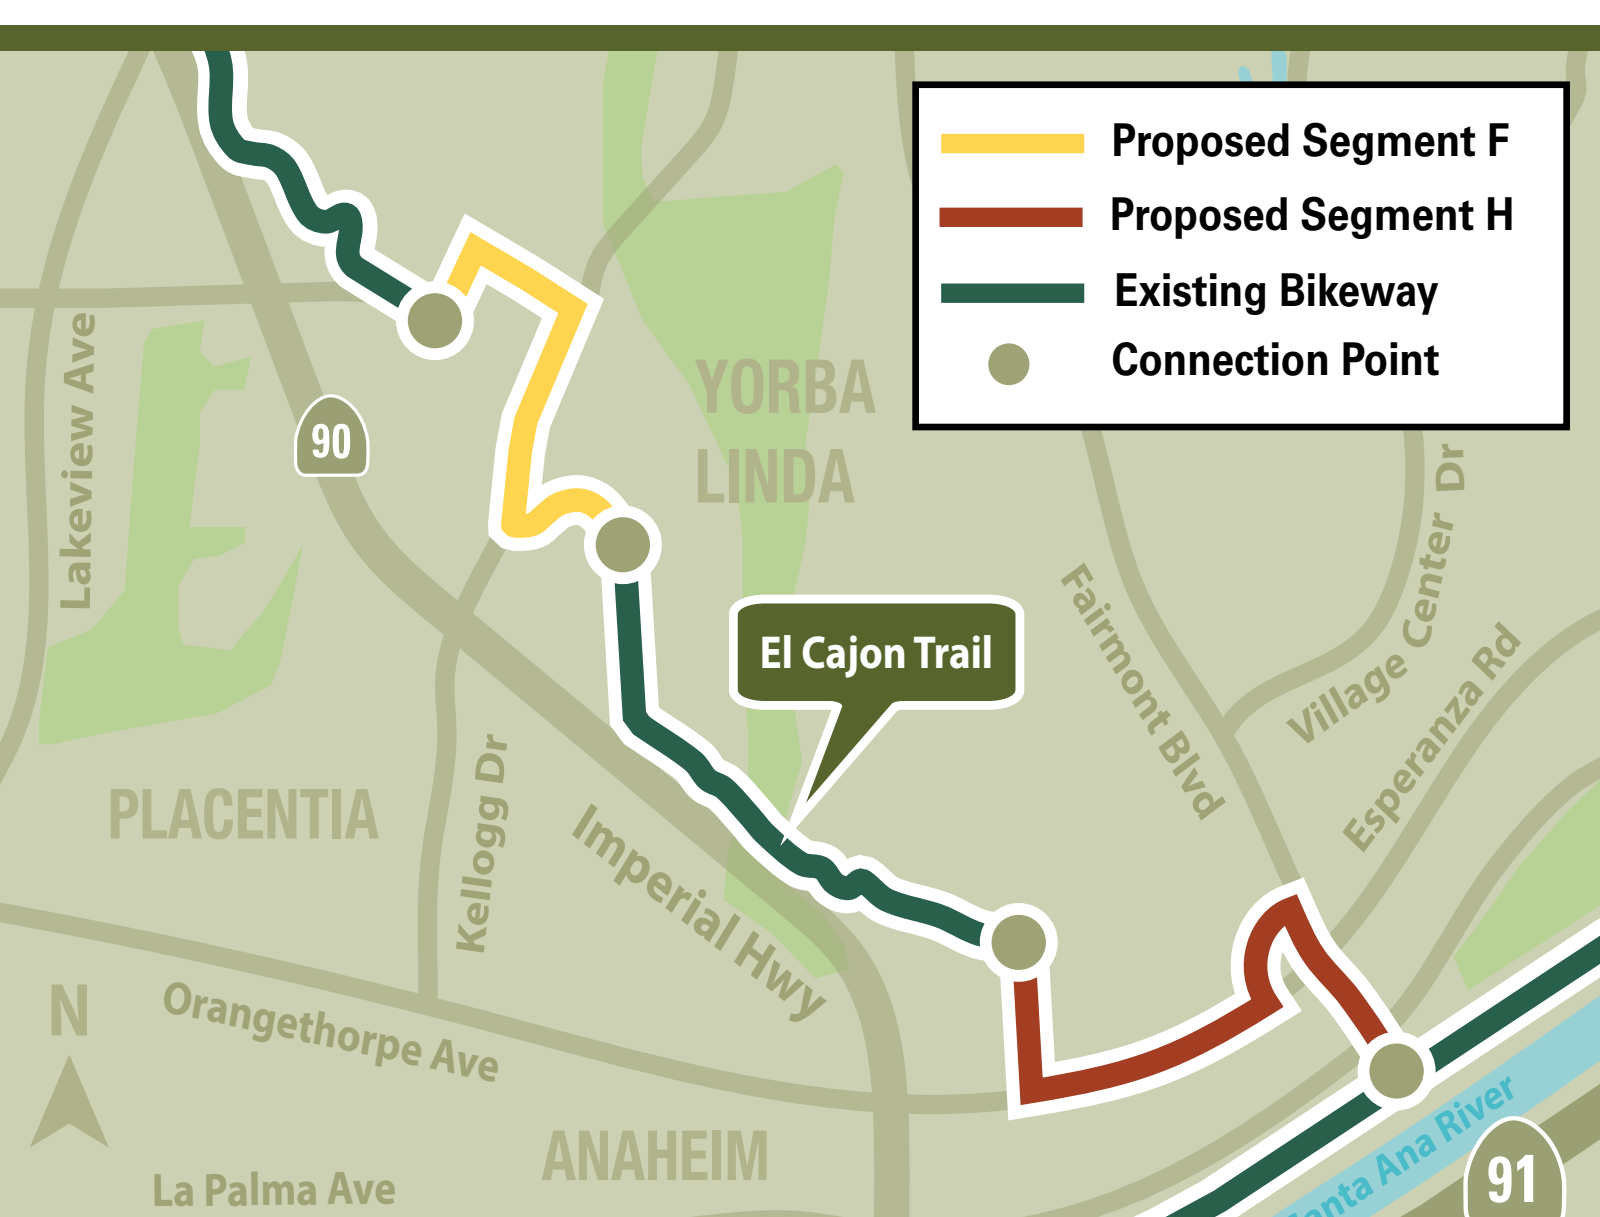

OC LOOP Gap Segments

Segment D

Located along Carbon Creek Channel from the intersection of Imperial Highway and La Floresta Drive to the El Cajon Trail and Bikeway at Bastanchury Road, in portions of Brea and Placentia. This study will consider route alternatives to close the gap between Imperial Highway and Bastanchury Road.

Segment F

From existing El Cajon Regional Riding/Hiking Trail & Bikeway terminus at Grandview Avenue and Buena Vista Avenue to its resumption at Arroyo Cajon Drive in the City of Yorba Linda.

Segment H

From the terminus of the existing El Cajon Regional Riding/Hiking Trail & Bikeway terminus at Fairlynn Boulevard to the existing Santa Ana River Class 1 Bikeway within the Cities of Yorba Linda and Anaheim and portions of unincorporated Orange County.

Stay Connected

Community input is a critical part of this initial environmental phase and your feedback is encouraged. Look for our project team at this upcoming community event:

Wednesday, December 7 - Placentia Tamale Fest/Las Posadas
