**Instructions:** Imagine you have \$100 you can reallocate to different departments. Pencil in how you would change the current allocation. Remember, if you take away from one department, you may affect the service levels for that department. If you increase the amount for another department, briefly explain why.

**Disclaimer:** This is a sample exercise to gauge where your priorities are and is not a real document used to allocate city funds.

Department	Preliminary Allocation	Your Allocation
Police Department	\$42	
Fire and Rescue Department	\$22	
Community Services	\$10	
Planning & Building	\$7	
Public Works	\$6	
Community & Economic Development	\$1	
Convention, Sports, & Entertainment	\$1	
Public Utilities	\$1	
Administrative Services	\$10	
<b>Total</b>	<b>\$100</b>	<b>\$100</b>

We want to better understand your allocation. Can you share why you want more services over another?
