

Importance of Summer Reading

Summer reading reminds kids that reading is for fun! Reading as little as fifteen minutes a day helps to keep children engaged and in a mindset that supports the learning of new information. This can actually lead to an improvement of reading skills and better prepare your child for the upcoming school year.

The Anaheim Public Library annually hosts *Summer Reading Fun* to help keep kids focused with engaging activities, fun special programs, and reading materials. Our selection of children's books can stimulate their growing minds and get them ready to excel in academics. Visit your local Anaheim Public Library today to sign up!
