

# Importance of Summer Reading

Summer Reading reminds kids that reading is for fun. Reading as little as twenty minutes a day helps to keep children engaged and in a mindset that supports the learning of new information. This can actually lead to an improvement of reading skills, better preparing your child for the upcoming school year.

The Anaheim Public Library hosts a Summer Reading Program to help keep kids focused with engaging activities, fun programs, and reading materials. Our selection of children's books can stimulate their growing minds and get them ready to excel in academics. Visit your local Anaheim Public Library to sign up for our Summer Reading Program beginning June 16th.
