

Candidate Statement of Qualifications

CITY OF ANAHEIM COUNCIL MEMBER DISTRICT 2

NAME: JORDAN BRANDMAN **AGE: 38**
OCCUPATION: Local Businessman/Educator **(Optional)**

The neighborhoods of Anaheim City Council District 2 have been neglected for too long. We've borne the brunt of years of misguided leadership from City Hall and need a fighter who will guarantee our community gets its fair share of resources.

If elected, I will:

Honestly address homelessness by first demanding that other Orange County cities do their part. We deserve to have access to safe, well-maintained parks and public spaces.

Hire 25 specialized community and gang intervention police officers to prevent our youth from joining gangs.

Bring back higher-quality retail, dining, and entertainment options. New developments must meet our community's standards. Wouldn't it be great to be able to drive down the street to a Trader Joe's? I think so.

Fight to repeal the fee hikes the current City Council recently imposed to use parks, libraries, and community centers. As wealthy as Anaheim is, we shouldn't have to pay more to use our taxpayer-funded facilities.

Keep Anaheim Public Utilities rates the lowest in Orange County.

Support creation of good-paying jobs.

Endorsements:

U.S. Congresswoman Loretta Sanchez (ret.)
Orange County Board of Education President John W. "Jack" Bedell
California State Assemblywoman Sharon Quirk-Silva
Anaheim Firefighters Association
Anaheim Police Association
Anaheim City Councilmember Kris Murray
Anaheim City Councilmember Gail Eastman (ret.)

Let's make Anaheim an even better place to live, work, and raise a family. I ask for your vote.
