

Candidate Statement of Qualifications

CITY OF ANAHEIM CITY COUNCIL DISTRICT 6

NAME: GRANT HENNINGER

AGE:
(Optional)

OCCUPATION: Anaheim Business Owner

I've called Anaheim Hills home my entire life. I grew up here, went to public school here, and am raising my two children here. I'm running for City Council to ensure that our community continues to be a place where families can thrive and where folks can retire in peace, prosperity, and happiness.

My vast experience has taught me how to navigate city hall to effectively accomplish my goals. Over the past decade, I served on the Anaheim Planning Commission, the Housing Element Ad-Hoc Committee, and as Chairman of the Anaheim Community Services Board. As a small-business owner, I've seen how processes can be streamlined to encourage economic growth. I also volunteer as Cubmaster for my son's Cub Scout Pack.

As your councilmember, I will:

- keep our neighborhoods safe and maintain fast emergency response times;
- reduce homelessness;
- maintain our streets, sidewalks, and parks; and
- responsibly manage your tax dollars.

Please join with neighborhood leaders throughout our district who support my campaign and vote Grant Henninger for Anaheim City Council District 6. Together we will ensure continued prosperity in our community.

Please contact me at (714) 696-1285, and visit www.GrantForAnaheim.com.

I would be honored to earn your vote.
