

Candidate Statement of Qualifications

CITY OF ANAHEIM MAYOR

NAME: HARRY SIDHU

AGE:
(Optional)

OCCUPATION: Anaheim Business Owner

My wife Gin and I raised our family in Anaheim, and I want others to experience that same hometown feeling that we did when our children grew up here. I've achieved the American Dream: I began my career as an engineer and saved enough money to start a small business which currently employs over 85.

During my service as Councilman and Mayor Pro Tem, Anaheim moved forward. I proudly:

- Fought for taxpayers
- Voted to support Police with a 16% decrease in violent crime
- Encouraged new parks development
- Championed creation of the Anaheim Health Fair and Job Fair, helping nearly 2,000 residents find employment

My proven record as your Councilman, combined with my background as an entrepreneurial small business owner who spent decades managing critical issues, will enable me to provide strong, commonsense leadership as Mayor.

If you elect me as Mayor, my plans for our city include:

- Ensuring Police and Fire have the necessary resources to keep Anaheim safe
- Attracting jobs and small businesses to Anaheim
- Improving parks, roads, and traffic
- Developing a strong, but compassionate, solution to the growing homeless problem

Please join Orange County Taxpayers Association PAC (OCTaxPAC), Anaheim residents and families in supporting Harry Sidhu for Mayor.
