

GARDEN WORKSHOP: COOL SEASON VEGETABLES

.....

Workshops are conducted in cooperation with University of California Cooperative Extension Master Gardeners of Orange County.

Grow it NOW! From gourmet selections to a stir-fry garden, this presentation covers everything you need to know about starting and growing vegetables that you can harvest in fall, winter and early spring. Learn how to "start something" that you can harvest and eat throughout the cool season. Get tips for fitting more into smaller spaces and busy lifestyles, information, and demonstrations. The presentation will be followed by a Q&A session. All ages welcome!
