FREQUENTLY ASKED QUESTIONS

Where can I park my car(s) during construction?

On street parking will be provided throughout construction within 800 feet of your home to the extent possible.

Will my trash be collected?

Yes. Your trash collection day will not be affected during construction.

Where can I park on street sweeping days?

You may park on surrounding streets within 800 feet of your home. Street sweeping parking citations will **NOT** be issued on surrounding streets while construction is in progress **(within Anaheim City limits only)**.

Will I have access to my driveway?

Yes. You will have access to your driveway throughout this project. Should it be necessary for your driveway to be temporarily blocked during construction activities, we will contact you prior to construction to coordinate access.

What is the duration of this project?

You will receive a construction notice at least one (1) week in advance. The notice will indicate the construction dates. Additionally, the City's website will have updated information regarding the construction schedule for your neighborhood.

What are the working hours?

Construction hours are typically from 8:00 a.m. to 3:30 p.m.; however, hours are subject to change.

How do I get a street tree in front of my house?

If you are interested in obtaining a street tree, please call (714) 765-6860.
