Subject: PUBLIC RECORDS REQUEST - 133606.001 - 520 South Walnut Street

Good Morning,

I am trying to complete a zoning compliance report for a commercial lender. I am needing to obtain information regarding any open and/or unresolved zoning, building and fire code violations, variances and/or special/conditional use permits and/or zoning relief that may apply to the property, copies of certificates of occupancy and a final approved site plan for the property located at **520 South Walnut Street**.

Please, let me know if there are any fees involved for my request and I will get what you need back to you as quickly as possible.

Thank you,
