Please find this to be a formal request for copies of Certificates of Occupancy for the above listed property and any pending condemnation proceedings for the above listed property. In other words, are there any plans for construction, sidewalk improvements, or any other work that would cause this property to lose any land for improvements?

I understand that I will be contacted once documents have been identified. If production of records is requested, an estimated cost will be provided to me and I agree that I will be required to submit payment for duplication costs (and mailing) prior to the production of the requested documents.
