RE: Public Records Act Request

Dear Anaheim Fire & Rescue Custodian of Records,

Pursuant to my rights under the California Public Records Act (Government Code Section 6250 et seq.), I ask to obtain a copy of the following, which I understand to be held by your office: (1) audio recording of the 911 telephone call placed by myself, Rickalan Brown, from my mobile cell phone Per my records the call was placed on November 13th, 2018 around 8pm at or near the address of 1168 W. Katella Ave Anaheim, Ca 92802. Major cross streets include State College Blvd and Katella Ave. (2) any reports including supplemental that pertain to the call for emergency medical service mentioned in this request.

I ask for a determination on this request within 10 days of your receipt of it, and an even prompter reply if you can make that determination without having to review the records in question.

If you deny any or all of this request, please cite each specific exemption you feel justifies the refusal to release the information and notify me of the appeal procedures available to me under the law.

Thank you for considering my request.

Sincerely,
