Hi Jennifer – I downloaded the attached but apparently there is/was a list that broke out the disciplines. Could you forward me such a list or series of lists per the highlighted text below? Let me know if you have questions.

Thank you!

Julia,

I don't believe this list is for professional services firms. In the past the City had a list for each of the disciplines.

Thanks.

All – please find attached a listing of all professional firms on Anaheim's On-Call/Professional Services Contract List.

Thank you!
