Importance of Summer Reading

Summer reading reminds kids that reading is for fun! Reading as little as fifteen minutes a day helps to keep children engaged and in a mindset that supports the learning of new information. This can actually lead to an improvement of reading skills and better prepare your child for the upcoming school year.

The Anaheim Public Library annually hosts the Summer Reading Fun program to help keep kids engaged with fun special programs, and reading materials. Our selection of children’s books can stimulate their growing minds and get them ready to excel in academics. Visit your local Anaheim Public Library today to sign up!

Programs generously funded by H&R Block in partnership with the Anaheim Public Library Foundation and the Friends of the Canyon Hills Library.

THANK YOU!
Summer Reading Fun
for Kids & Families

Try out Anaheim Public Library’s new reading website anaheim.readsquared.com or the app companion READsquared to track your reading progress, create your reading avatar, earn badges, unlock games, and more!
