- 2) Logs of use of cell-site simulators or other radio frequency (RF) measurement equipment for the period January 1, 2016 through February 26, 2019.
- 3) All training materials associated with cell-site simulators or other RF measurement equipment. Please see section 460.5 Operation of Equipment of

Anaheim Police Department Policy 460 on Radio Frequency Measurement Equipment.

- 4) All records associated with Section 460.2(b) of Anaheim Police Department Policy 460 on Radio Frequency Measurement Equipment that states “The Division Commander shall periodically review the uses of the equipment to ensure that it is being used in accordance with applicable law and this policy” for the period January 1, 2016 through February 26, 2019.

We ask that you please respond to this request within 10 days either by providing all the requested records, stating when the records will be made available, or by providing a written response setting forth the legal authority on which you rely in withholding or redacting any records. If your agency invokes an extension, please specify the need for the extension.

We further request the records be provided in an electronic format via email or download in order to save postage and natural resources. Should you be unable to avoid incurring copying costs, EFF will reimburse you for the direct costs of copying these records (if you elect to charge for copying) plus postage. If you anticipate that these costs will exceed \$25.00, or that the time needed to copy the records will delay their release, please contact me so that I can arrange to inspect the documents or decide which documents I wish to have copied. Otherwise, please copy and send them as soon as possible, and we will promptly pay the required costs.

If you have any questions or concerns, or if I can provide any clarification that will help identify responsive records or focus this request, please do not hesitate to contact me at
