ANAHEIM PUBLIC UTILITIES MULTI-FAMILY PROGRAMS GUIDELINES

Please read carefully before signing:

- ***Affordable Multi-Family Housing Project:** Affordable Housing criteria is defined either by the State or Federal funding source each year, with established annual income guidelines. All Affordable Housing units shall be designated for each project and shall be based on the following criteria:
 1. A project maybe designated as 100% Affordable with Tenant incomes at or below 30%, 50% or 80% of the Orange County median - adjusted annually by Housing and Urban Development (HUD).
 2. Mixed Income properties are only eligible for incentives for those units that are specified as Affordable Housing.
- **Required documentation:** This application and a paid sales receipt or invoice depicting that an identified appliance type or measure has been paid for in full. Internal Revenue Service Form W-9 (Request for Taxpayer Identification Number and Certification).
- **Limitations:** Applicants must receive electric service from Anaheim Public Utilities. The incentive offer is on a first-come, first-service basis and is effective until funding is expended or the Programs are discontinued by Anaheim Public Utilities. Programs are subject to fund availability and may be cancelled, modified, or reduced at any time without notice. There is a maximum of one application per account service address, unless approved by Anaheim Public Utilities. The incentive amount will not exceed the purchase price. The incentive check will be mailed in approximately 4-6 weeks following application approval.
- **Incentive Limitations:** Affordable Multi-Family Housing Projects are allotted a maximum incentive of \$150,000 per project, with an incentive maximum per dwelling/unit of \$1,500. Standard Multi-Family Housing Projects are allotted a maximum incentive of \$75,000 per project, with an incentive maximum per dwelling/unit of \$1,500. Incentives are paid for the purchase of NEW eligible equipment only. Incentive will only be paid to the electric customer of record.
- **Installation Verification:** Applicant understands and agrees that Anaheim Public Utilities or its representative may inspect the installed equipment/product for installation verification before the incentive is paid.
- Both new construction and rehabilitated construction of Multi-family Housing projects are eligible to participate in the Multi-Family Programs.
- Applicant understands Anaheim Public Utilities may withhold payment of incentive until all of the conditions listed above are met.
- Anaheim Public Utilities does not warrant, endorse, or assume liability for the quality, performance, or safety of the contractor and/or retailer or wholesaler. Performance of any equipment/product and acceptance of materials used in its installation is solely the customer's responsibility.
- Customer is responsible for meeting all Program requirements and for complying with State/County/City governments and/or homeowner's association (if any) in the area regarding local conditions, restrictions, permits, codes, ordinances, rules, and regulations prior to installation.
- **MUST SUBMIT APPLICATION WITHIN 1 YEAR OF EQUIPMENT/PRODUCT OR MEASURE PURCHASE.**

I certify that the information on this application is true and correct and that I have read, understand, and agree to the Program Guidelines listed on this application.
