RE: Public Records Act Request

Dear Mr. Zapata,

Pursuant to my rights under the California Public Records Act (Government Code Section 6250 et seq.), I ask to obtain a copy of the following records, which I understand to be held by your agency:

Correspondence between the city and its officials, and anyone acting on the city's behalf including Wylie Aitken, and the Angels baseball organization (including the team's owner and management staff) regarding the stadium lease and potential changes or additions to a lease extension and related documents, between Sept. 3, 2013, Oct. 16, 2018.

I ask for a determination on this request within 10 days of your receipt of it, and an even prompter reply if you can make that determination without having to review the record[s] in question.

Please note whether, as is normally the case under the Act, the exemption is discretionary, and if so whether it is necessary in this case to exercise your discretion to withhold the information.

If you determine that some but not all of the information is exempt from disclosure and that you intend to withhold it, I ask that you redact it for the time being and make the rest available as requested.

In any event, please provide a signed notification citing the legal authorities on which you rely if you determine that any or all of the information is exempt and will not be disclosed.

If I can provide any clarification that will help expedite your attention to my request, please contact me at _____ or _____ I ask that you notify me of any duplication costs exceeding \$50 before you duplicate the records so that I may decide which records I want copied.

Thank you for your time and attention to this matter.

Sincerely,

Alicia Robinson/The Orange County Register

Mike,
As we discussed, I'd like to re-up this request but with a new end date of today, April 3.
Thanks, and let me know if any trouble opening the attachment or any questions.
