**Subject:** STR: Public Records Act Requests

Leonie –

Thank you for providing me with a copy of the attached City response to a Public Records Act request seeking a list of the STR permit holders who did not file a hardship extension application, pursuant to the Settlement Agreement between the ARA and the City.

Please consider this email to be my Public Records Act request for a copy of any public records provided by the City in response to the request referenced in your attached letter. Please let me know if you need a more formal request than this email from me.

This now constitutes my second Public Records Act request in the matter of short-term rentals in the City. I have attached my previous, still-pending request for your ease of reference.

Jane
