

Issue 2 2019

Dusk to Dawn Program

The Dusk to Dawn program offers Anaheim businesses FREE LED security lights with photo sensors that automatically turn lights on at dusk, and off at dawn. Recently, we added new lighting fixtures to the program that have a longer life span and higher efficiency than previous bulb types.

For large facilities, the long life span of the LEDs can significantly reduce maintenance costs. The high-efficiency bulbs also use over 70 percent less energy than standard fixtures, while providing a similar level of light output. In addition, customers can now receive wall fixtures and pole mountable parking lot lights.

Interested in purchasing your own lights? No problem, you may also be eligible to receive a rebate under the Lighting Incentive Program.

WEDNESDAY, JUNE 12, 8:30 AM
DOWNTOWN ANAHEIM COMMUNITY CENTER

Seating is limited.

RSVP to 714-765-4975 or utilitiesevents@anaheim.net.

CUSTOMER CORNER

EXPERT COATINGS & GRAPHICS, INC

“Our company recently contacted Anaheim Public Utilities to explore exterior lighting options for both safety and security, as well as improved energy efficiency for our business location.

We were soon visited by a friendly and very knowledgeable program specialist who surveyed our building to determine our needs.

Within 24 hours we received 5 brand new LED lights with sensors that automatically turn the lights on from dusk to dawn! We love our new lights and particularly love the improved security they provide for our building.”

OC GREEN EXPO FEATURING EV TEST DRIVE EXPERIENCE

Anaheim Public Utilities will be hosting the OC Green Expo featuring EV Test Drive Experience in Downtown Anaheim to encourage the community to live a more sustainable lifestyle. The event will offer the opportunity to get behind the wheel and compare various electric vehicles while learning about the environmental benefits of going electric.

The OC Green Expo will also provide information on sustainable products for your home and business, activities for the whole family, food, music, raffles, and more!

Pre-register now and join us on June 22 to learn about the various sustainability programs and incentives available to Anaheim residents and businesses.

SOCAL WATERSMART

Anaheim Public Utilities, in partnership with the Metropolitan Water District of Southern California's SoCal WaterSmart program, offers rebates and incentives for indoor and outdoor water-saving devices including turf removal. Customers are eligible to receive \$2 per square foot of turf removed – up to 5,000 sq. ft. for residents and 50,000 sq. ft. for commercial customers.

All applications are first-come, first-served and based on approval and funding availability.
