PUBLIC NOTICE

New Emergency Housing Vouchers Available

The Anaheim Housing Authority (AHA) is pleased to announce that it has received 278 Emergency Housing Vouchers (EHVs) from the U.S. Department of Housing and Urban Development (HUD). These new vouchers will help low-income households who are currently:

- Homeless;
- At risk of homelessness;
- Fleeing, or attempting to flee, domestic violence, dating violence, sexual assault, stalking or human trafficking; or
- Recently homeless and for whom providing rental assistance will prevent the family's homelessness or having a high risk of housing instability.

Housing search assistance will be made available to eligible families to help identify safe, decent, and affordable housing.

The AHA has partnered with the Orange County Continuum of Care (OC CoC) to ensure that the EHVs assist the targeted families who are most in need. The AHA will assist qualifying families through a direct referral process from the OC CoC, and is expected to start accepting referrals beginning July 1, 2021.

How Do I Apply for an EHV?

If you believe you may be eligible for EHV assistance, you must contact the OC CoC by dialing 2-1-1 on a phone and mentioning the "Emergency Housing Voucher Program."

The OC CoC will conduct the pre-screening of individuals or families who claim to be eligible and then refer those eligible to the AHA.

Please do not contact the AHA office to apply, as AHA cannot accept any EHV applications directly. You will be redirected to OC CoC's 2-1-1 hotline.

The AHA will update its website once more information is available.
