# ANAHEIM REDISTRICTING

Redistricting is a once-in-a-decade opportunity for residents to get directly involved in how district lines should be adjusted based on new U.S. Census data. The City of Anaheim invites YOU to be part of the process!

The redistricting process uses the new U.S. Census data to balance out the population among districts to ensure that each Council Member represents an equal number of constituents.

To learn more about the redistricting process, a schedule for community participation opportunities, resources for drawing maps, and information on how to get involved, visit [ANAHEIMREDISTRICTING.ORG](http://ANAHEIMREDISTRICTING.ORG) or email [REDISTRICTING@ANAHEIM.NET](mailto:REDISTRICTING@ANAHEIM.NET).

## HOLIDAY LIGHTS DRIVE THRU & TOY DRIVE

On Saturday, November 20, we'll be hosting the second annual Holiday Lights Drive Thru event in Downtown Anaheim, distributing energy efficient holiday lights to Anaheim residents (*limit two per household*).

LED lights use up to 80% less energy than older, incandescent lights—and they're brighter!

In addition to the holiday lights distribution, we will be collecting new, unopened toys for local children in need. In exchange for a donation of either your old holiday lights or a new, unopened toy, we'll be providing additional energy efficient devices to make your home more sustainable.

Register now at [ANAHEIM.NET/HOLIDAYLIGHTS](http://ANAHEIM.NET/HOLIDAYLIGHTS).

## PARAMEDIC MEMBERSHIP PROGRAM
