**MEMORANDUM OF UNDERSTANDING BETWEEN THE CITY OF ANAHEIM
AND THE AMERICAN FEDERATION OF STATE, COUNTY,
AND MUNICIPAL EMPLOYEES, LOCAL 2002,
PROFESSIONAL/TECHNICAL MANAGEMENT UNIT**

PREAMBLE

The wages, hours, and other terms and conditions of employment within the lawful scope of representation of the American Federation of State, County, and Municipal Employees, Local 2002, **Professional/Technical Management Unit** (hereinafter called "AFSCME" or "UNION") have been agreed upon by representatives of the AFSCME and staff officials of City of Anaheim (hereinafter called "ANAHEIM" or "City") and shall apply to all employees of ANAHEIM working in classifications set forth in Appendix "B" (bargaining unit classifications). AFSCME agrees to recommend acceptance by bargaining unit members of all the terms and conditions of employment as set forth herein, and the staff officials of ANAHEIM agree to recommend to the City Council that all terms and conditions of employment, as set forth herein, be approved pursuant to California Government Code §3505.1.

SECTION I: GENERAL ADMINISTRATION

Article 1 - Recognition

- 1.1 ANAHEIM hereby recognizes AFSCME as the bargaining representative for all its members to the fullest extent allowable under California law applying to public employees. As public employees, such employees shall have the right to discuss individual problems of employment with ANAHEIM, provided that upon request of the employee, AFSCME shall be kept fully informed and have the right to be present at all such meetings between ANAHEIM and the individual.

Article 2 - Employee Rights

- 2.1 Employees shall have all rights granted to public employees under California law. Employees shall have the right to form, join, and participate in the activities of employee organizations of their own choosing for the purpose of representation on all matters of employer-employee relations. Employees also have the right to refuse to join or participate in the activities of employee organizations and shall have the right to represent themselves individually in their employment relations with ANAHEIM. No employee shall be interfered with, intimidated, restrained, coerced, or discriminated against by ANAHEIM or by any employee organization because of the employee's exercise of these rights.

Article 3 - Employer Rights

- 3.1 The Employer retains, exclusively, all its inherent rights, functions, duties, and responsibilities except where specifically limited in this document. The rights of the employer include, but are not limited to, the exclusive right to consider the merits, necessity, or organization of any service or activity provided by law or administrative order; determine the mission of its constituent departments, commissions, and boards; set standards of service and performance; determine the procedures and standards of selection for employment, training, and promotion; direct its employees; establish work schedules and work assignments; evaluate employee performance; take disciplinary action; relieve its employees from duty because of lack of work or other legitimate reasons; maintain the efficiency of ANAHEIM's operations; determine the methods, means, and personnel by which ANAHEIM's operations are to be conducted; classify and reclassify positions; determine the content of job classifications; contract out work and transfer work into or out of the unit; take all necessary action to carry out its mission in emergencies; and exercise complete control and discretion over its organization and the technology of performing its work.

Article 4 - Construction

- 4.1 Nothing in this Memorandum of Understanding (hereinafter "MOU") shall be construed to deny any person or employee the rights granted by federal and state laws and City Charter provisions. The rights, powers, and authority of the Anaheim City Council in all matters, including the right to maintain any legal action, shall not be modified or restricted by this MOU. The provisions of this MOU are not intended to conflict with the provisions of Chapter 10, Division 4, Title 1 of the Government Code of the State of California (Sections 3500, et seq.).

Article 5 - Savings Clause

- 5.1 The resolution of ANAHEIM shall provide that if any provision of this MOU or the resolution is at any time, or in any way, held to be contrary to any law by any court of proper jurisdiction, the remainder of this MOU and the remainder of the resolution shall not be affected thereby, and shall remain in full force and effect.

Article 6 - Duration

- 6.1 This MOU shall be in full force and effect as of the first day of the pay period following adoption of a resolution approving this MOU and the terms hereof by the City Council of the City of Anaheim. The terms of this Memorandum are to remain in full force and effect through the thirtieth (30th) day of June, 2027.

Article 7 - Notification

- 7.1 Reasonable written notice shall be given by the City Management Representative to AFSCME, of any proposed ordinance, resolution, rule, or regulation directly relating to matters within the scope of representation to be presented to the City Council for determination, and AFSCME shall be given the opportunity to meet with the City Management Representative prior to submission to the City Council for determination.
- 7.2 In cases of emergency when the City Council determines that an ordinance, resolution, rule, or regulation must be adopted immediately without prior notice or meeting with AFSCME, the City Management Representative shall provide such notice at the earliest practicable time following the adoption of such ordinance, resolution, rule, or regulation.

Article 8 - Consultation

- 8.1 The City Management Representative, after consultation in good faith with representatives of AFSCME, may recommend adoption of reasonable rules and regulations for the administration of employer-employee relations. The City Management Representative shall consult in good faith with representatives of AFSCME on employer-employee relations matters which affect them, including those that are not subject to meeting and conferring.

Article 9 - Meet And Confer

- 9.1 The City Management Representative and representatives of AFSCME shall have the mutual obligation personally to meet and confer in order to exchange freely information, opinions, and proposals and to endeavor to reach agreement on matters within the scope of representation. Nothing herein precludes the use of any impasse procedure authorized by law whenever an agreement is not reached during the meeting and conferring process and the use of such impasse procedure is mutually agreed upon by ANAHEIM and the UNION.
- 9.2 The City Management Representative shall not be required to meet and confer in good faith on any subject pre-empted by federal or state law or by the Anaheim City Charter nor shall be required to meet and confer in good faith on Employer or Employee Rights as herein defined in ARTICLES 2 and 3. Proposed amendments to this ARTICLE are excluded from the scope of meeting and conferring.

Article 10 - Memorandum Of Understanding

- 10.1 When the meeting and conferring process results in agreement between ANAHEIM and AFSCME, such agreement shall be incorporated in a written MOU, signed by ANAHEIM Representative(s) and AFSCME representative(s). The matters incorporated in the MOU shall be presented to the City Council for determination.

Article 11 - Discussion

- 11.1 It is the intent of both parties to maintain an open line of communication for the betterment of employer-employee relations. Any issue not pertaining to grievances or grievable issues may be discussed by AFSCME or ANAHEIM at either party's request.
- 11.2 A party requesting a discussion may orally or in writing notify the other party of the subject to be discussed. Thereafter, a meeting shall be promptly arranged at which meeting not more than two (2) AFSCME members and the business manager or business representative of AFSCME may be present. Upon notification and with mutual agreement, either party may include additional representatives.
- 11.3 If the parties are not able to resolve the issues after three (3) meetings, the issues will be considered dropped, unless both parties agree to meet additional times.
- 11.4 If the discussion process results in an agreement between the City Management Representative and AFSCME to amend this MOU, such agreement shall be incorporated in a written Letter of Understanding (hereinafter "LOU"), signed by the City Management Representative(s) and AFSCME representative(s). The matters incorporated in the Letter of Understanding shall be presented to the City Council for determination when necessary.

Article 12 - Union Administration

- 12.1 AFSCME representatives are those elected or appointed in accordance with the constitution and bylaws of AFSCME.
- 12.2 ANAHEIM recognizes the UNION's right to appoint shop stewards.
- 12.3 AFSCME shall notify ANAHEIM, in writing, of the names and job classification titles of its officers, unit representatives, stewards, or other officials each time an election is held or new appointments are made.
- 12.4 An employee elected or appointed as an officer, director, or representative of the AFSCME shall be required to work full-time in the employee's respective job classification.
- 12.5 Officers, directors, and representatives (subject to the provision of this ARTICLE) of the UNION shall be permitted to visit employee work locations for the purpose of observing conditions under which employees are working, provided such visit shall not interfere with the normal operations of the department or with established safety requirements.
- 12.5.1 Such officers, directors, and representatives shall not enter any work location without the knowledge of the Department Head, Division Head, or other appropriate supervisor.
- 12.6 In the event that the AFSCME formally meets and confers with representatives of ANAHEIM on matters within the scope of representation during regular City business hours, a reasonable number of officers, directors, and representatives, or other officials of the AFSCME shall be allowed reasonable time off without loss of compensation or other benefits. Stewards and officers shall be granted reasonable time off without loss of compensation for representing employees in disciplinary matters or otherwise enforcing this MOU.
- 12.6.1 Such officers, directors, representatives, or other officials shall not leave their duties, work stations, or assignments without the knowledge of their appropriate manager or supervisor. Release time shall, whenever possible, be requested at least forty-eight (48) hours in advance so as to allow the department to make any necessary adjustments for work coverage. Union release time may be granted if the request is submitted on the date of the union activity and will not be granted if the request is submitted after the date of union activity.
- 12.6.2 Such meetings are subject to scheduling in a manner consistent with operating needs and work schedules.
- 12.7 ANAHEIM agrees to provide the President and board members of AFSCME reasonable time off without loss of compensation or benefits for all activities concerned with the internal management of AFSCME.
- 12.8 ANAHEIM shall furnish bulletin boards at mutually agreeable, specific locations for the purpose of posting notices pertaining to AFSCME business.

12.9 ANAHEIM shall allow AFSCME to conduct meetings in City facilities.

12.9.1 Such meetings shall be scheduled in accordance with regulations governing use of public meeting rooms at City facilities.

12.10 Within thirty (30) days of the date of hire or by the first pay period of the month following hire, ANAHEIM shall provide the UNION with the following information of bargaining unit employees:

- Name
- Hire date
- Job title
- Department
- Work location
- Work cellular number, if provided by the City
- Personal cellular and home phone numbers
- Personal email addresses
- Home address

12.11 The information identified in this section shall be provided to the UNION regardless of whether the newly hired public employee was previously employed by the public employer.

12.12 ANAHEIM shall provide the same information of all bargaining unit employees to the UNION on a quarterly basis.

12.13 Employees' personal information shall not be deemed public record subject to disclosure to any person or organization other than the UNION.

12.14 Employees may choose not to have their personal information (home address, home telephone number, personal cellular number, or personal email address) released to the Union. Employees making such a request must submit a written (including email) request to the Human Resources Department.

Article 13 - New Employee Orientation

13.1 ANAHEIM shall provide notice of new employee orientations no less than ten (10) calendar days in advance, to AFSCME. The notification shall include date, time, location, and name(s) of new employees attending the orientation.

13.2 AFSCME shall be provided up to one-half (1/2) hour during the new employee orientation sessions to speak with new employees about contractual rights, introduce new employees to AFSCME, and discuss potential enrollment in membership.

13.3 If an in-person new employee orientation session is not held within thirty (30) calendar days of an employee's date of hire, the City will allow AFSCME to make arrangements for an in-person meeting with the new employee during working hours, for up to one-half

hour. During the meeting, the AFSCME representative may discuss enrollment in membership.

Article 14 - Check Off

14.1 ANAHEIM agrees to check-off for the payment of the regular monthly AFSCME dues and to deduct such payments from the wages of all AFSCME represented members when authorized to do so by AFSCME, and remit such payments to AFSCME in accordance with the terms of signed authorizations of such members. The deduction of such dues and the remittal of same by ANAHEIM to AFSCME shall constitute payment of said dues and initiation fees by such members to AFSCME.

Article 15 - Notification Of Contracting Out

15.1 ANAHEIM agrees to notify AFSCME of possible contracting out of City work or services if such contracting out will have a significant long term impact on work performed by employees in classifications represented by AFSCME.

15.1.1 Such notification will be given before a decision to contract out is made; and

15.1.2 AFSCME will have an opportunity to comment prior to a determination by ANAHEIM to enter into contracting arrangements.

SECTION II: COMPENSATION

Article 16 - Salary Administration

16.1 Purpose

16.1.1 The purpose of this ARTICLE is to maintain a compensation program that will attract and retain qualified employees at all levels of responsibility. Employee compensation shall be externally competitive and internally consistent and fair.

16.2 General

16.2.1 Part-time employees are compensated based on an hourly rate and full-time employees are compensated based on an annual salary rate. Part-time and full-time employees shall be assigned to a classification in which the pay rate is an amount within a specified salary range.

16.2.2 An employee's placement within a salary range is referred to as the employee's compa-ratio, which is determined by dividing the employee's rate of pay into the market point of the applicable salary range. The frequency and amount of increases is partially dependent upon the employee's compa-ratio.

16.3 New Hires

16.3.1 Salary offers shall be between the "Minimum" and "Market" of the applicable salary range and shall reflect the prospective employee's experience and qualifications. Employees hired at the Minimum are presumed to be qualified to perform the duties and responsibilities of the job classification into which they are hired. The Human Resources Director may approve a rate above the Market of the salary range. Appointments above the Control Point are subject to the recommendation of the Human Resources Director and the approval by the City Manager. Under no circumstances may the salary offer exceed the "Maximum Point."

16.3.1.1 New employees shall be paid at no less than the Minimum of the salary range. New employees may be hired above the Minimum of the range only if they possess experience, education, and/or qualifications that exceed the minimum standards established for the position.

16.3.1.2 As set forth in ARTICLE 28 - VACATION, the Human Resources Director may approve a one-time crediting of a vacation time bank and/or may approve an increase in service credits for vacation accrual rates for new hires.

16.4 Merit Increases

16.4.1 Employees are eligible for individual merit increases in accordance with the current "Merit Matrix" within their pay range effective on the first (1st) day of the pay period following their merit review date. Merit increases are not automatically granted. Employees may be determined to be ineligible to receive a merit increase based upon their overall performance rating as stated in the employee's Performance Review Plan.

16.4.2 The City Manager shall determine the Merit Matrix each fiscal year based upon the City's financial condition, the City's ability to pay, market conditions, and any other factors the City Manager may deem appropriate.

16.4.3 Merit increases shall be based upon an employee's overall performance rating as demonstrated in the Performance Review Plan and in accordance with the Merit Matrix. The employee's Department Head shall certify an employee's overall rating to the Human Resources Director for implementation of a merit increase.

16.4.4 Employees are eligible for individual merit increases within their pay range effective on the first (1st) day of the pay period following their merit review date. Merit review dates are set in accordance with the following rules:

For employees with a compa-ratio between 80.00%-99.99%	Once every six (6) months until attaining a compa-ratio of 100.00%.
--	---

Once every twelve (12) months

For employees with a compa-ratio at or above 100.00%

16.4.5 Merit increases shall be implemented in accordance with the following:

16.4.5.1 An increase up to a compa-ratio of one-hundred twenty percent (120.0%) shall be paid to the employee's base salary.

16.4.5.2 Any portion of a merit increase that would result in a compa-ratio exceeding one-hundred twenty percent (120.0%) shall be paid as a lump sum payment. Base salaries shall not exceed one-hundred twenty percent (120.0%) compa-ratio.

16.4.5.3 Lump sum payments are not added to the employee's base pay and are not used in determining highest year compensation for the California Public Employees' Retirement System ("PERS") or for any leave bank payoff.

16.5 Special Adjustments

16.5.1 Employees may be eligible for a special salary adjustment, as approved by the City Manager, with the recommendation of the Human Resources Director. Requests for special salary and equity adjustments must be submitted in writing to the Human Resources Director, state the rationale for special salary adjustment, and be signed by the employee's Department Head. Salary and equity adjustments must be supported in writing and shall only be granted to address significant variances unrelated to tenure or performance among employees in the same or similar job classification. Such special salary adjustments may not result in an employee's compa-ratio exceeding one-hundred twenty percent (120.0%).

16.6 Reclassification

16.6.1 An incumbent who is reclassified to a job classification at a higher range shall be placed at the Minimum of the new range or at a rate in the range which provides a ten percent (10%) base rate of pay increase, provided the rate does not exceed a compa-ratio of 105.00%. If a ten percent (10%) increase places the employee's salary beyond the 105.00% compa-ratio, the employee shall receive a minimum of five percent (5%) increase or an increase between five percent (5%) and ten percent (10%) in order to bring the employee to 105.00% compa-ratio; however, in no case shall the employee's salary exceed the Control Point. The employee shall be given a new merit review date in accordance with ARTICLE 16.4.

16.6.2 An incumbent who is reclassified to a job classification with no change in range shall retain their current rate of pay and merit review date.

16.6.3 An incumbent who is reclassified to a job classification at a lower range shall retain their current rate of pay in the new range. If the current rate is higher than the new range Control Point, the employee's pay rate shall be frozen until such time

as the Control Point of the range for the position exceeds the employee's rate of pay.

16.6.4 An incumbent who is reclassified does not begin a new probationary period.

Article 17 - Hours of Work and Payday

17.1 Forty (40) Hour Work Week. The average regular work week for full-time employees shall be forty (40) hours.

17.1.1 For all full-time employees with an average regular work week of forty (40) hours, the monthly rate shall be the annual rate divided by twelve (12).

17.1.2 Part-Time employees shall be paid at an hourly rate, which shall be calculated by dividing the annual rate of the same position by two thousand eighty (2080) hours.

17.1.3 All pay, discipline, and leave provisions will be administered consistent with this MOU and Fair Labor Standards Act (FLSA) requirements for exempt positions.

17.2 Alternative Work Schedules. In certain instances, alternatives to the traditional work schedule may be appropriate. Such schedules may be implemented under the following guidelines:

17.2.1 Such schedules may be implemented at the request of the employee subject to City approval or by management when it is determined that a non-traditional work schedule serves the public interest.

17.2.2 Alternate work schedules shall not reduce service to the public.

17.2.3 Alternate schedules approved at the request of the employee may be adjusted or revoked by either party upon adequate notice to the other party. Adequate notice is understood to mean at least one (1) full pay period.

17.2.4 Alternate work schedules implemented by management may be revoked by the City upon adequate notice to all affected employees. Adequate notice is understood to mean at least one (1) full pay period.

17.2.4.1 The parties agree that any disputes regarding the denials or rescission of alternative schedules may be addressed as outlined in ARTICLE 11 - DISCUSSION.

17.2.5 Employees may be assigned to or revoked from an alternate work schedule only effective at the beginning of a biweekly pay period.

17.3 Pay Days. Regular salaries and compensation of employees shall be paid on a biweekly basis.

- 17.4 All holiday, vacation, and sick leave payments shall be at the employee's regular hourly rate of pay.

Article 18 - Premium Pay

18.1 Standby

18.1.1 Certain employees may be paid "Management Standby Pay" based upon the recommendation of the Human Resources Director and the appropriate Department Head with approval of the City Manager.

18.1.1.1 Standby Pay will be paid at a daily rate of one and one half (1.5) hour at the employee's base rate of pay for each day of standby duty, and two (2) hours at the employee's base rate of pay for each recognized holiday as defined in ARTICLE 27 - HOLIDAYS.

18.1.1.2 Standby pay eligibility will be evaluated on an individual basis.

18.2 Temporary Upgrade

18.2.1 An employee temporarily upgraded to another job class at a higher salary range shall receive a seven and one-half (7½%) pay differential if they are assigned to work in the higher classification for a minimum of one (1) complete work shift.

18.2.2 Employees temporarily upgraded under this ARTICLE must be qualified for the higher classification and must also be responsible for the full range of duties assigned to the higher level classification in order to be paid for the upgrade. The determination of those persons qualified to work in higher rated classifications shall be made by the City.

18.3 Bilingual Pay

18.3.1 Employees required to speak in Spanish or other languages (including sign language), as well as English, as part of their regular duties of their position will be compensated at the rate of seventy dollars (\$70) per pay period in addition to their regular pay.

18.3.2 Employees required to speak in Spanish or other languages, as well as English, as part of their regular duties of their position will be compensated at the rate of ninety dollars (\$90) per pay period in addition to their regular pay if the employee can also read and/or write in Spanish or other languages, as well as English.

18.3.3 Any employee receiving compensation under this ARTICLE 18.3.2 shall not concurrently receive compensation under ARTICLE 18.3.1.

- 18.3.4 Employees who are assigned to test other employees for bilingual certification, as part of their regular duties of their position will be compensated at the rate of one hundred twenty dollars (\$120) per pay period in addition to their regular pay.
- 18.3.5 The appropriate Department Head shall designate which positions shall be assigned bilingual duties and which language shall be eligible for bilingual pay.
- 18.3.6 The Human Resources Department shall conduct a competency test for employees whose positions have been assigned bilingual duties to certify these employees are eligible for bilingual pay. However, where operating departments have authorized bilingual certifiers, they may conduct their own bilingual competency testing and notify the Human Resources Director of such results.
- 18.3.7 The effective date of bilingual pay certification shall be the first (1st) day of the pay period following the passing of the bilingual test by the employee as provided in ARTICLE 18.3.5. Bilingual pay eligibility shall continue in accordance with the provisions in ARTICLE 18.3 during any period of leave with pay.
- 18.3.8 Bilingual pay eligibility shall continue only as long as the employee's Department Head affirms an ongoing need for the bilingual duties, and only so long as the employee demonstrates continuing competency through a proficiency examination at intervals deemed appropriate by the Human Resources Department.
- 18.3.9 Employees on Short-Term Disability ("STD") or Leave Without Pay for over forty (40) hours in a pay period shall not receive bilingual pay.

SECTION III: EMPLOYMENT

Article 19 - Appointments and Promotions

- 19.1 Appointments and promotions will be solely based on qualifications without regard to political affiliation or belief, membership in or attitude toward any employee organization, or any protected category under state or federal law, including race, religion, color, national origin, ancestry, physical disability, mental disability, medical condition, genetic information, marital status, sex, gender, gender identity, gender expression, age, sexual orientation, and military and veteran status, except where age or lack of physical disability is a bona fide occupational qualification.
- 19.1.1 Examinations shall be used and conducted to aid in the selection of qualified employees, and shall consist of recognized selection techniques which will, in the opinion of the Human Resources Director, test fairly the abilities and aptitudes of candidates.

19.2 Recruitment – Open

19.2.1 Unless otherwise indicated at the time a recruitment is announced, recruitments are open to the general public.

19.2.2 At the conclusion of the filing period (or periodically for a continuous recruitment), an applicant who has failed to demonstrate possession of the minimum requirements for the position shall be removed from further consideration. For open recruitments for a classification, the remaining applicants shall be placed on an eligibility list; however, only those remaining applicants whose qualifications best fit the position shall be referred for consideration. Eligibility lists for open recruitments for specific positions will include solely those candidates that have been interviewed. Multiple eligibility lists may exist for a recruitment.

19.2.3 City employees who submit an application in an open recruitment shall be evaluated on the same basis as external applicants. Successful candidates may be required to undergo a reference check, background check, and/or pass a post-offer pre-employment medical examination.

19.2.3.1 Eligibility lists created from an open recruitment shall not be ranked. Such lists may be restricted to the position for which the recruitment is conducted, or may apply to any vacancies within the City in the specified classification.

19.2.3.2 Eligibility lists shall remain in effect for a period of six (6) months or until depleted, whichever occurs first. Lists containing two (2) or fewer names may be considered depleted.

19.2.3.3 Eligibility lists may be extended by the Human Resources Director for a period not to exceed an additional six (6) months.

19.3 Recruitment – Promotional

19.3.1 At such times as the "Appointing Authority," with concurrence of the Human Resources Director, determines that it is in the best interests of the City to promote from within, promotions shall be on a competitive basis except when the Human Resources Director finds that the number of employees qualified for promotion is insufficient to justify competition.

19.3.2 Promotional eligibility lists may be ranked. Such lists may also be restricted to the position for which the promotional recruitment is conducted, or may apply to any vacancies within the City in the specified classification.

19.3.2.1 When creating a ranked list, eligible candidates shall be listed in the order of final evaluation and appointments from that list shall normally follow rank order. When ranking a promotional eligibility list, appropriate consideration shall be given to promotional candidates' qualifications,

record of performance, and seniority, in that order. Employees shall be given written notice of their rank order on promotional eligibility lists.

- 19.3.2.2 Promotional eligibility lists shall remain in effect for a period of six (6) months or until depleted, whichever occurs first. Lists containing two (2) or fewer names may be considered depleted.
- 19.3.2.3 Promotional eligibility lists may be extended by the Human Resources Director for a period not to exceed an additional six (6) months.
- 19.3.2.4 The appropriate Department Head, with the concurrence of the Human Resources Director, may order names removed from a promotional eligibility list for good and sufficient reasons. Employees shall be given written notice of removal of their names from eligibility lists.

19.4 Promotion Without Competition

- 19.4.1 An employee may be promoted without qualifying through the competitive process when the employee is in a classification with a recognized career progression (e.g. from Utilities Analyst I to Utilities Analyst II), or when the Human Resources Director determines that the number of employees qualified for promotion is insufficient to justify competition.
- 19.4.2 When the position is one with a recognized career progression, the employee's Department Head need only notify the Human Resources Director, in writing, that the employee meets all of the minimum requirements for the higher-level position.
- 19.4.3 When the Human Resources Director determines that that the number of employees qualified for promotion is insufficient to justify competition, the Department Head of the department with the vacancy shall informally solicit interest among department employees; discuss the position and its requirements with all qualified employees who indicate interest; and consider an employee's record of performance. The Department Head shall provide the results of the informal process and recommendation for promotion to the Human Resources Director.

19.5 Promotions – General

- 19.5.1 An employee promoted to a classification assigned to a salary range shall be placed at any rate within the designated salary range which provides a ten percent (10%) base rate of pay increase. In no case may the increase cause the employee's salary to exceed the Maximum Point. A new merit review date shall be established in accordance with ARTICLE 16 – SALARY ADMINISTRATION.
 - 19.5.1.1 Under special circumstances, a new pay rate may be calculated using other forms of pay recommended by the Human Resources Director and approved by the City Manager.

19.5.2 The City Manager may, at their discretion, provide additional vacation accrual or vacation balance in accordance with the provisions of ARTICLE 28 – VACATION to a promoted employee.

19.5.3 The Human Resources Director may recommend pay adjustments or other remedies to correct pay inequities arising out of the application of these promotional policies where pay rates are not internally equitable. All recommendations shall require the approval of the City Manager.

19.6 Acting Appointments

19.6.1 An Acting Appointment is the appointment of an employee to a higher-level position on a temporary basis for an indefinite duration when a legitimate need exists due to a vacancy or an extended absence of another employee such as illness, vacation, prolonged jury duty service, military leave, etc. Not all long-term vacancies require an acting appointment; such appointments are reserved for positions that must be filled by law or Charter, or for those positions that are essential to maintain public services and/or efficiency of operations within the City.

19.6.2 An Acting Appointment of a person meeting the minimum qualifications for the position may be made by the appropriate Department Head with the approval of the City Manager for Administrative Management positions. Acting appointments to all other management positions shall only be made with the approval of the Human Resources Director under special circumstances pursuant to ARTICLE 19.6.1. Requests for Acting Appointments must be submitted in writing and must include justification for the appointment.

19.6.3 Acting Appointments are subject to the following:

19.6.3.1 An Acting Appointment must cover a period of at least thirty (30) calendar days.

19.6.3.2 A request for an Acting Appointment should be submitted to the Human Resources Department prior to instituting the acting period. An acting appointment is not posted.

19.6.3.3 The Acting Appointment must involve the assignment of duties and responsibilities corresponding to those included in the job description for the acting position and must be assumed on a full-time basis. However, in some departments, individuals may take on additional assignments and responsibilities at a higher level while maintaining their current job for a limited duration.

19.6.3.4 The appointee in all cases must meet the requirements as provided in the job description of the acting title. The appointee's background will be reviewed to ensure that the appointee meets the minimum requirements.

- 19.6.3.5 If an incumbent fails to meet the minimum requirements for an acting appointment but is performing duties associated with the position, an appropriate acting classification and level of pay shall be determined by Human Resources.
- 19.6.3.6 The normal promotional salary progression will apply in accordance with ARTICLE 19.5. If the employee is placed in the position through a competitive process after serving in an acting capacity, the resulting action will be a status change from acting to probationary and the employee's merit review date will remain the same.

19.7 Provisional Appointments

- 19.7.1 A Provisional Appointment is the appointment of a person from outside the organization to a position on a temporary basis for a limited duration when a legitimate need exists to fill a vacancy prior to the establishment of an eligibility list. The Provisional Appointment requires the prior approval of the Human Resources Director.
- 19.7.2 A Provisional Appointment shall only be allowed in the absence of an eligibility list. All Provisional Appointments shall be temporary and shall be valid only until an eligibility list is established for the position. No Provisional Appointment shall be valid beyond six (6) months without the approval of the City Manager. In no case shall a Provisional Appointment exceed twelve (12) months.
- 19.7.3 A Provisional Appointment may be permitted to occupy a vacant position provided that the appointing authority certifies that the nominee is qualified for appointment based on an evaluation of experience, training or education, and there are no reemployment lists for the position.
- 19.7.4 For purposes of computing the appropriate pay rate, Provisional Appointments shall be considered new appointments. If the provisional appointee is placed in the position through a competitive process after serving in a provisional capacity, the action will be a status change from provisional to probationary and the appointee's merit review date will remain the same.
- 19.7.5 In the event that any provisional appointee fails to qualify on the eligibility list or is not selected as established within the appropriate time of the provisional appointment, said provisional appointment shall end and the provisional appointee shall have their employment terminated.
- 19.7.6 If it is not possible to establish an eligibility list for any reason, the City Manager, upon recommendation from the Human Resources Director, may approve a provisional appointee to a probationary appointment provided that the department has interviewed available candidates and determined that the candidates do not possess the skills needed to fill the vacancy and the Human Resources Director concurs with such determination.

19.8 Grant-Funded Positions and/or Limited Term Positions

19.8.1 Appointments to certain grant-funded and/or limited-term positions as designated by the City Manager may be made without competitive examinations and/or evaluations. Such appointments may be made by the appropriate Department Head with the approval of the Human Resources Director. In the event that a grant-funded and/or limited-term appointee fails to complete competitive examinations and/or evaluations and is not appointed to a City-funded position during their period of employment under the grant or limited-term position, said appointee shall be terminated from City employment.

19.9 Notwithstanding any other provisions of this ARTICLE, vacant full-time positions which would otherwise be filled by an open recruitment may be filled by appointing non-probationary employees currently employed in the equivalent Part-Time classification without qualifying the employee through the competitive process.

Article 20 - Probation

20.1 Purpose

20.1.1 This ARTICLE allows the Appointing Authority to subject newly hired or promoted employees to heightened scrutiny, and to reject such an employee at any time during the probationary period if the employee's work and conduct is determined to be below standards.

20.2.1 Newly appointed employees; employees promoted; employees reinstated after thirty (30) calendar days in accordance with ARTICLE 23 – REINSTATEMENT; employees reassigned according to the Vocational Rehabilitation Administrative Regulation; and employees transferred in accordance with ARTICLE 25 – TRANSFER shall be subject to a period of probation. The regular period of probation shall be twelve (12) months.

20.3 Evaluation

20.3.1 The work and conduct of probationary employees shall be subject to close scrutiny and evaluation and, if found to be below standards satisfactory to the Appointing Authority, the appropriate Department Head may reject the

probationer at any time during the probationary period. Such rejections shall not be subject to review or appeal unless such a rejection is alleged to be contrary to the provisions of this MOU, any state or federal law or Chapter 1.05 of the City of Anaheim Municipal Code (Personnel System).

20.3.2 An employee shall be retained beyond the end of the probationary period only if the appropriate Department Head affirms that the services of the employee have been found to be satisfactory. However, in the event the Department Head fails to either affirm or reject a probationary employee prior to the end of the employee's probationary period, the employee will be considered to have satisfactorily completed the probationary period and shall be granted regular status in the classification in which the probationary period is served.

20.4 Probationary Rejection

20.4.1 An employee rejected or laid off during the probationary period from a position to which the employee was appointed from outside the organization shall be separated from City service.

20.4.2 An employee rejected or laid off during the probationary period from a position to which the employee was promoted or transferred shall be returned to the classification in which the employee had regular status unless the reasons for their failure to complete the probationary period would be cause for dismissal.

20.4.3 ANAHEIM will make every reasonable effort to return a part-time employee rejected or laid off from a position to which the employee was promoted or transferred to during the probationary period to the classification in which the employee had regular status unless the reasons for their failure to complete the probationary period would be cause for dismissal. If not returned to their former classification, the employee shall be separated from City service/employment.

Article 21 - Salary Reduction, Suspension, Demotion, And Dismissal

21.1 The tenure of every employee shall be conditioned on good behavior and satisfactory work performance. An employee may have their salary reduced or be suspended without pay, demoted, or dismissed for good and sufficient cause.

21.2 When in the judgment of the appropriate Department Head, or designee, an employee's work performance or conduct justifies disciplinary action short of demotion or dismissal, the employee may be:

21.2.1 Suspended without pay. Upon taking such action, the appropriate Department Head, or designee, shall file with the employee and the Human Resources Director a written notification containing a statement of the substantial reasons for the action. No employee shall be suspended without pay for more than thirty (30) calendar days, or;

- 21.2.2 Reduced in salary. Upon taking such action, the appropriate Department Head, or designee, shall file with the employee and the Human Resources Director a written notification containing a statement of the substantial reasons for the action. - 21.2.2.1 No employee's salary may be reduced below the minimum salary required by applicable law or regulation.
- 21.3 An employee may be demoted or dismissed upon recommendation of the Department Head, or designee, whenever in the judgment of the appropriate Department Head, or designee, the employee's work or misconduct so warrants. Upon taking such action, the appropriate Department Head, or designee, shall file with the employee and the Human Resources Director a written notification containing a statement of the substantial reasons for the action and the effective date of the action.
- 21.4 In the disciplinary process, ANAHEIM shall conform with the procedural due process requirements of *Skelly v. State Personnel Board*. At such time as *Skelly* due process is required, prior to the determination that discipline will be imposed, the appropriate Department Head, or designee, at a minimum shall:

- 21.4.3 Provide written notification of the final determination after consideration of the employee's response or after the opportunity to respond, if the employee chooses not to respond.
- 21.4.4 Failure to comply with ARTICLE 21.4 shall not invalidate a disciplinary action, but may result in penalties, upon ANAHEIM, as reflected in decisions of the California appellate courts.
- 21.5 When an employee is dismissed as provided in this ARTICLE, the following accelerated procedure under the provisions of ARTICLE 42 – GRIEVANCE PROCEDURE shall apply:

- 21.5.1 Only one (1) post-Skelly hearing by a representative from the City Manager's Office shall be held. This hearing shall be held within fourteen (14) calendar days, excluding recognized holidays as defined in ARTICLE 27 – HOLIDAYS, after the dismissal is grieved, unless mutually extended.

 - 21.5.2.1 Develop a standing list of mutually approved arbitrators.
 - 21.5.2.1.1 This list shall include no more than five (5) mutually approved arbitrators.
 - 21.5.2.1.2 ANAHEIM and AFSCME agree to reestablish the list of arbitrators once each year in January.
 - 21.5.2.1.3 ANAHEIM or AFSCME may mutually remove arbitrators from this list at any time.

 - 21.5.2.3 Stipulate to the following submission language when a dismissal is submitted to an impartial arbitrator: "Was (name of employee) dismissed for good and sufficient cause? If not, what shall be the remedy?"

Article 22 - Layoff, Reassignment, And Reemployment

22.1 Purpose

- 22.1.1 Layoffs shall be implemented for a lack of work or a lack of funds and shall be the basis of an evaluation of employee qualifications and seniority within the affected job class.
- 22.1.2. ANAHEIM will notify AFSCME of layoffs, which affect employees represented by AFSCME at the same time or prior to notification of employees.

22.2 Procedure

- 22.2.1 An employee whose position has been abolished due to lack of work or lack of funds shall be reassigned by the Department Head to the position within the division or department in an equivalent or lower job class closest to the employee's current classification for which the employee meets the minimum requirements and where the employee has City seniority over other employees in the job class.

In the case of employees having equal City seniority, the tie-breaker will be resolved by a random lottery. If the employee whose position has been abolished does not have City seniority over other employees in equivalent or lower classes, the employee may be reassigned by the Department Head to any vacant position within the department in an equivalent or lower job class, for which the employee meets the minimum requirements.

22.2.1.1 Employees reassigned to a job class without a salary step schedule shall retain their current merit review date and their current base rate of pay if it falls within the salary range of the classification reassigned. Otherwise, their base rate of pay will be adjusted to the Control Point of the salary range for the new classification. In no case shall the employee's base rate of pay exceed the Control Point as a result of such reassignment in lieu of layoff.

22.2.1.2 Employees reassigned to a job class with a salary step schedule will be placed in the closest salary step of the new job class which does not provide an increase. The employee's base rate of pay will be used in calculating the appropriate rate of pay.

22.2.2 Whenever an employee, whose position has been abolished cannot be reassigned to a position within the department, the employee may be reassigned by the City Manager to any vacant position in any other department in the job class or in an equivalent or lower job class for which the employee meets the minimum qualifications for employment. Employees reassigned to vacant positions in an equivalent or lower job class in any other department shall be reinstated to their former job class and compa-ratio when positions in their former job class (within their former department) become vacant within two (2) years of such assignment. Such reassignment shall be on the basis of City seniority.

22.2.3 An employee who is reassigned in lieu of layoff to a job classification at the same salary range shall retain their current base rate of pay and merit review date.

22.2.4 Whenever an employee is reassigned to a vacant position in the same class, an equivalent class, or lower class as herein provided, the employee shall retain the same anniversary date for purposes of merit pay increases.

22.3.1 Whenever an employee whose position has been abolished is not reassigned to another position, the employee shall be separated from City service and placed on the reemployment list for their job class. Persons on the reemployment list shall be reemployed with their former compa-ratio when positions in their job class

(within the department from which they were laid off) become vacant within two (2) years of being placed on the reemployment list. Reemployment shall be on the basis of City seniority.

22.3.2 Reemployment lists shall contain the names of regular, full-time employees laid off in good standing for lack of work or lack of funds.

22.3.2.1 Reemployment lists shall remain in effect for a period of two (2) years. Reemployment lists shall not be extended.

22.3.3 An employee reemployed from a reemployment list shall be considered to have continuous service and shall be credited with the amount of accumulated sick leave the employee had accrued at the time of layoff if the employee elects to remit to the City any payment received under the provisions of ARTICLE 29 – SICK LEAVE.

22.3.4 The provisions of this ARTICLE shall not apply to Part-Time employees and employees appointed to certain grant-funded and/or limited-term positions as designated by the City Manager under ARTICLE 19.8.

Article 23 - Reinstatement

23.1.1 A full-time employee reinstated within thirty (30) calendar days of their termination date shall be considered to have continuous service; shall not serve a new probationary period; and shall be credited with the amount of accumulated sick leave the employee had at the time of termination. The employee shall be placed in their former salary status range and shall retain their anniversary date for purposes of merit pay increases. If their anniversary date occurred during the period of absence, the employee's new anniversary day shall be the first (1st) day of the next biweekly pay period following reinstatement.

Article 24 - Voluntary Demotion

- 24.1 A voluntary demotion is the movement of an employee into a classification with a lower salary schedule or salary range at the request of the employee.
- 24.2 A voluntary demotion shall require the approval of the Department Head under whom the employee will serve and the Human Resources Director. An employee taking a voluntary demotion may be placed in any salary of the appropriate salary range that does not provide an increase in salary. A new anniversary date shall be given for purposes of merit pay increases in accordance with provisions of ARTICLE 16 – SALARY ADMINISTRATION.
- 24.2.1 Voluntary demotions authorized under the provisions of the Vocational Rehabilitation Administrative Regulation shall be in accordance with the provisions of this ARTICLE.
- 24.3 Upon recommendation of the Department Head and with approval of the Human Resources Director, an employee who has taken a voluntary demotion to a lower job class may be reinstated to a vacant position in their former job class, which the employee had regular status, within two (2) years of the effective date of the voluntary demotion without re-qualifying by competitive processes.
- 24.3.1 An employee reinstated to their former job class from a voluntary demotion shall be placed in the salary range at their current base rate of pay. The employee shall retain their anniversary date for purposes of merit pay increases; however, if the employee is placed below market in a salary range, the employee shall be eligible for a merit pay increase after six (6) months or their regular anniversary date, whichever is sooner.

Article 25 - Transfer

- 25.1 A change of an employee's place of employment from one division to another or from one department to another shall be considered a Transfer. Movement of an employee to a vacant position in a job classification on the same salary range as their current job class shall also be considered a transfer.
- 25.2 A Transfer requires the approval of the Department Head to which the employee is transferring and the Human Resources Director. A Transfer may be initiated by the City Manager, Department Head, or by request of the employee to the Human Resources Director.
- 25.2.1 A transferred employee shall retain their base rate of pay and their anniversary date for purposes of merit pay increases.

25.2.2 If a Transfer is initiated by request of an employee to a job class with minimum standards of employment substantially different from those of their current job class, an employee shall be required to demonstrate eligibility for employment in accordance with the provisions of ARTICLE 19 – APPOINTMENTS AND PROMOTIONS and the employee shall serve a new probationary period in accordance with the provisions of ARTICLE 20 – PROBATION.

26.1 In order to be eligible for employment with the City, candidates shall be required to pass a medical evaluation, the character of which is in accordance with the standards established by the Human Resources Director.

26.2 In order to be eligible for promotion or transfer to a job class in a category requiring substantially different physical qualifications than the employee's present job class, an employee must pass the appropriate medical examination.

26.3 All physical and medical examinations required under the provisions of this ARTICLE shall be performed by a physician in active practice licensed by California State Law and within the scope of their practice as defined by California State Law.

26.3.1 Exceptions to the provisions of ARTICLE 26.3 may be made only in the case of out-of-state candidates for employment. In such cases, the physician performing the examination may be a physician licensed by the state in which the candidate resides.

26.4 The City shall pay for any physical and medical examination required under the provisions of this ARTICLE.

26.5 Any employee who returns to work after an absence in excess of forty (40) consecutive working hours due to illness or physical incapacity or who has been removed from the workplace under provisions of Administrative Regulation 277, may be required by the Department Head to undergo a medical examination prior to returning to work.

Under this specific exception, the written request must be made within thirty (30) calendar days of the date of the employee's return to work.

Article 42 - Grievance Procedure

- 42.1 The dispute resolution procedures set forth in this ARTICLE are intended for use by ANAHEIM and AFSCME as the parties to this MOU. No grievance may be brought under this ARTICLE unless specifically authorized in writing by AFSCME. Nothing herein is intended to restrict or limit an employee from exercising any right under the law, independent of this MOU.
- 42.2 Any alleged violation of the terms and conditions of this MOU, violation of the Administrative Regulations, or any alleged violation of commonly accepted safety practices and procedures brought forward by AFSCME shall be considered to be a matter subject to review through the grievance procedure and settled in accordance with the provisions of this ARTICLE. ANAHEIM and AFSCME may agree that any alleged violation of the MOU that requires interpretation of the MOU language or a past practice shall first be submitted to non-binding mediation, prior to any submission to arbitration. This language is not intended to impede or delay the arbitration process.
- 42.2.1 ARTICLE 21.5 – SALARY REDUCTION, SUSPENSION, DEMOTION, AND DISMISSAL provides for an accelerated procedure under the provisions of this ARTICLE when an employee is dismissed.
- 42.2.2 Disputes related to benefits and procedures provided for under the Workers' Compensation Laws of California or which fall within the jurisdiction of the Workers' Compensation Appeals Board are not subject to the grievance procedure.
- 42.2.3 Employees' rights to representation in grievance matters under the provisions of ARTICLE 12.6 - UNION ADMINISTRATION, shall be limited in the following manner:
- 42.2.3.1 No supervisor shall be represented in grievance matters by an employee whom the supervisor may supervise.
- 42.2.3.2 No employee shall be represented in grievance matters by a supervisor for whom the employee is a subordinate.

42.2.4 Performance evaluations of an overall rating of "Valued Contributor" shall not be subject to the grievance process nor through the administrative review procedure set forth in ARTICLE 42.2.5.1.

42.2.5 In those instances where discipline is imposed other than suspension, demotion, or dismissal, AFSCME may submit a written request for a review of the disciplinary action through an administrative review procedure.

42.2.5.1 Administrative Review Procedure:

The written request must be submitted to the Human Resources Department within fourteen (14) calendar days, excluding recognized holidays as defined in ARTICLE 27 – HOLIDAYS, after receipt of notice by the employee of the disciplinary action. The Department Head under which the discipline was administered shall conduct an administrative review within fourteen (14) calendar days, excluding recognized holidays as defined in ARTICLE 27 – HOLIDAYS, of submission of the written request.

The Department Head shall review the disciplinary action and may affirm, reverse, or modify, as deemed appropriate, the disciplinary action. The Department Head's determination shall be delivered in writing within fourteen (14) calendar days, excluding recognized holidays as defined in ARTICLE 27 – HOLIDAYS, after the administrative review. The Department Head's determination shall be final and binding.

42.3 Any violation of this MOU as alleged by ANAHEIM or AFSCME shall be resolved between authorized representatives of ANAHEIM and AFSCME. In the event that the parties cannot resolve the dispute, the dispute shall, upon the request of either ANAHEIM or AFSCME, be referred to an impartial arbitrator for a final and binding decision.

42.4 All expenses of any arbitration shall be borne equally by ANAHEIM and AFSCME. Each party, however, will be responsible for its own cost of representation and related costs of representation.

42.5 Employee grievances submitted by AFSCME to ANAHEIM shall be handled in the following manner:

42.5.1 Step I. Step I grievances shall be submitted in writing to the Human Resources Director within fourteen (14) calendar days, excluding recognized holidays as defined in ARTICLE 27 – HOLIDAYS, after the occurrence of the incident involved in the grievance, or within fourteen (14) calendar days, excluding recognized holidays as defined in ARTICLE 27 – HOLIDAYS, of the date the employee should have known of its occurrence through the exercise of reasonable care and diligence. An attempt shall be made to adjust all grievances on an informal basis between the employee, AFSCME representative, and the Department Head, within fourteen (14) calendar days, excluding recognized holidays as defined in ARTICLE 27 – HOLIDAYS, after the occurrence of the incident involved in the grievance.

The Department Head shall deliver a written response within fourteen (14) calendar days, excluding recognized holidays as defined in ARTICLE 27 – HOLIDAYS, after conducting the Step I meeting.

42.5.1.1 Grievances resulting from the actions of a department other than an employee's work unit shall be heard by the Department Head in which the grievance is alleged to have occurred.

42.5.1.2 If the Department Head is the employee's next supervisor in the employee's chain of command, the grievance shall initiate at Step II.

42.5.2 Step II. If the grievance is not adjusted to the satisfaction of AFSCME in Step I, it shall be submitted in writing to the Human Resources Director within fourteen (14) calendar days, excluding recognized holidays as defined in ARTICLE 27 – HOLIDAYS, after the Step I answer is received by AFSCME. A representative from the City Manager's Office shall meet with the employee and the employee's AFSCME representative within fourteen (14) calendar days, excluding recognized holidays as defined in ARTICLE 27 – HOLIDAYS, after submission of the Step II grievance. The representative from the City Manager's Office shall review the grievance and may affirm, reverse, or modify the Step I decision, as the representative deems appropriate. The Step II written response shall be delivered to AFSCME within fourteen (14) calendar days, excluding recognized holidays as defined in ARTICLE 27 – HOLIDAYS, after said meeting.

42.5.3 Step III. If AFSCME is not satisfied with the response provided at Step II, the grievance shall be submitted to an impartial arbitrator for a final and binding decision, provided AFSCME submits its written request for arbitration to the City. Such submission must occur within thirty (30) calendar days after the Step II response is received.

42.5.3.1 ANAHEIM and AFSCME may agree to submit a grievance to non-binding mediation, prior to submission to arbitration. This language is not intended to impede or delay the arbitration process.

42.6 In order to proceed to arbitration, either ANAHEIM or AFSCME shall serve written notice to the other party specifying the grievance to be submitted.

42.6.1 Such written notice must be submitted no later than thirty (30) calendar days after the Step II answer is received by the other party.

42.6.2 ANAHEIM and AFSCME shall thereafter attempt to resolve the issue and select an impartial arbitrator. If an arbitrator cannot be agreed upon, ANAHEIM and AFSCME shall request a panel from the California State Mediation and Conciliation Service or any other mutually agreed upon provider. If ANAHEIM and/or AFSCME fail(s) to submit jointly, or separately, the issue to the agreed upon arbitrator, the California State Mediation and Conciliation Service, or any other mutually agreed upon provider within thirty (30) calendar days after the written notice to proceed to arbitration is received, then either ANAHEIM or AFSCME may take action to compel

arbitration. Failure to take action to compel arbitration within sixty (60) calendar days after written notice to the other party specifying the grievance to be submitted will conclusively be deemed abandonment of the right to compel arbitration.

42.7 The arbitrator's decision shall be final and binding on both ANAHEIM and AFSCME, it being agreed that the arbitrator shall have no powers to add to or subtract from, nor to modify any of the terms of any MOU between ANAHEIM and AFSCME and that the arbitrator's award shall be consistent with and controlled by this MOU, Ordinances and Charter of the City of Anaheim, and the laws and Constitution of the State of California.

42.7.1 The parties will request the arbitrator to render a decision in writing as quickly as possible, but in no event later than thirty (30) calendar days after the conclusion of the hearing, unless the parties agree otherwise.

42.7.2 Any grievance not presented and/or carried forward by AFSCME within the time limits specified in this ARTICLE shall be deemed null and void, provided, however, AFSCME and ANAHEIM may agree to continue said time limits.

42.7.2.1 If the City does not provide a written response to Step I or Step II of the grievance process within the prescribed deadline, the grievance shall be deemed denied and will proceed to the next Step.

42.8 Any adoption, deletion, or revision of ANAHEIM policy as may be suggested or recommended by any employee or employee organization shall not be considered to be a matter subject to review through the grievance procedure.

42.9 An employee who has been suspended, demoted, or dismissed may be reinstated to their position as a result of a successful appeal through the grievance procedure. In the event of such reinstatement, the employee shall be returned to the employee's former status of employment, including reinstatement of seniority and accrued fringe benefits. In such cases, the City Manager may order the payment of back pay to an employee reinstated by an impartial arbitrator in any amount up to payment for the full period of time involved. In implementing a Step III award, the City Manager shall order the payment of back pay to a reinstated employee in the amount provided in the Step III award. It shall be conclusively presumed that there is no award of back pay to a reinstated employee unless specifically set forth in the Step III award. Any earnings of the reinstated employee from other employment during the period of suspension or separation shall be deducted from the amount of back pay awarded.

Article 43 - No Strike

43.1 The UNION agrees that under the terms of this MOU, the UNION and/or its members shall not conduct any strikes, slowdowns, or other work stoppages against ANAHEIM, or to withdraw from assignments to standby duty during any grievance or dispute which may arise out of the application or interpretation of the terms or conditions of this MOU or any matter subject to review through the grievance procedure.

Article 44 - Outside Employment

An employee's written authorization must specify the records to be released and to whom they are to be released. ANAHEIM may verify any written authorization inspections.

45.2 Placement of Material in Personnel (H.R. and Departmental) Files

45.2.1 No disciplinary material shall be inserted in an employee's personnel file (HR) without the employee's prior notice.

45.2.2 If an employee's review of their official personnel record reveals any documents that the employee feels are detrimental to their record, the employee shall have the right to place into their official record written comments or explanations concerning these documents.

45.2.3 Any employee may request that material pertinent to their employment be placed into their official personnel record.

Article 46 - Professional Licenses

46.1 ANAHEIM shall pay for all professional licenses required for employment, including renewal costs or fees. Subject to Departmental approval, ANAHEIM agrees to pay for professional and occupational licenses, certifications, and education courses that are related to an employee's position but not required by the minimum training and requirements for the position.

Article 47 - Required Equipment and Apparel

47.1 Personal Protective Equipment
