REASONS WHY PROJECT IS EXEMPT: Development Project No. 2022-00008 would be exempt from the requirements to prepare additional environmental documentation per California Environmental Quality Act (CEQA) Guidelines, Section 153200.2(c), 15301 and 15321 of Title 14 of the California Code of Regulations. Section 15301, Class 1, "Existing Facilities" consists of the operation, repair, maintenance, permitting, licensing, or minor alteration of existing public or private structures, facilities, mechanical equipment, or topographical features, involving negligible or no expansion of existing or former use. Section 15321, Class 21, "Enforcement Actions by Regulatory Agencies" consists of actions by regulatory agencies to enforce or revoke a lease, permit, license, certificate, or other entitlement for use issued, adopted, or prescribed by the regulatory agency or enforcement of a law, general rule, standard, or objective, administered or adopted by the regulatory agency. The Proposed Project is a City-Initiated request that the Planning Commission consider the revocation or modification of Conditional Use Permit No. 2494. On February 28, 2022, the Planning Commission, by resolution, approved Development Project No. 2022-00008, which amends original Conditional Use Permit No. 2494. These modifications to Conditional Use Permit No. 2494 outline operation conditions related to the existing Anaheim Lodge motel and would involve no expansion to the existing use. Pursuant to Sections 15300.2 (c), 15301 and 15321 of title 14 of the California Code of Regulations, there are no unusual circumstances in respect to the project no significant impacts to the physical environment are anticipated to occur as a result of the city's modification of the existing conditional use permit associated with the proposed project.
