Re: Updates to Paramedic Membership Program

Dear Valued Member,

Thank you for being a member of Anaheim Fire & Rescue's Paramedic Membership Program. We are pleased to share program updates that include a revised fee, new program benefits, and a new name. We are confident these changes will bring added value while continuing to bring you peace of mind.

Earlier this year the Anaheim City Council approved a membership fee increase of \$1.42 per month that will take effect October 1, 2023. The new membership fee is \$5 per month or \$60 annually. This increase will cover new program benefits such as ambulance transports, hands-on CPR training, AED instruction, and First Aid classes available to members. It will also provide enhanced financial assistance to ensure no out-of-pocket expenses to members.

The program's new name is the Anaheim Fire & Rescue FireMedics Program.

As a reminder, this voluntary membership program is available to Anaheim residents and businesses and now covers remaining response and transportation expenses when an emergency occurs in the city of Anaheim. One membership covers everyone living in a household. Friends and family will also be covered if they experience a medical emergency at the enrolled household. For businesses, the program covers all employees of the business if a medical emergency occurs while working at the enrolled address.

In addition to new program benefits, we encourage members to check out other resources and benefits available from Anaheim Fire & Rescue. Please visit [Anaheim.net/Fire](https://www.anaheim.net/Fire) for more information.

Thank you for being a loyal member of our program and we look forward to your continued participation. If you have any questions or concerns, please feel free to contact us.

Best regards,

Anaheim Fire & Rescue
