

Plug-In Electric Vehicle Charger Rebate Application

Anaheim Public Utilities is offering rebates to customers who install Level 2 (240-Volt) plug-in electric vehicle chargers at their residences or businesses. Customers will be reimbursed for out-of-pocket expenses up to \$500 per charger*. Eligible expenses include: the price of the charger and installation costs. In addition to the \$500 rebate, we will waive the City's permit fees related to the installation of the EV charger.

HOW TO APPLY

- Fill out an application for each charger and attach all of the following required documents:
 - A photo of the installed EV charging station
 - A photo of the serial number on your charger
 - A copy of your Anaheim Public Utilities bill
 - All charging station purchase and installation receipts
(Date on Receipts must be within one year of purchase)
 - A copy of your Building Permit showing final Sign off inspection signature
- Submit the documents to: **Anaheim Public Utilities – Plug-In Electric Vehicle Charger Rebate Program**
201 South Anaheim Blvd., Suite #801, Anaheim, CA 92805
- If you have any questions, please contact the Program Manager at **714.765.4250** or **EVRebates@anaheim.net**
